## Early Childhood Programs

The Rochester Pre-Kindergarten programs offer city residents:

- Certified teachers with expertise in early childhood education
- Opportunities for parents to be active partners
- Health services including speech, hearing, and vision screenings
- Well-equipped classrooms with materials designed for young learners
- A focus on the individual learning styles of children

Children are prepared to become successful in school through:

- Enriching experiences that respect diversity
- Reading and writing readiness activities
- Hands-on math and science exploration
- Opportunities for large muscle development including outdoor play
- Small and large group activities enhancing social skills

By working together, parents, educators, and the community can make school an enjoyable and successful experience for all children.

## The Rochester City School District offers these District-Based Programs:
