

**Entering 9th grade? You could earn a college degree for FREE as part of an exciting new program!**

# P-TECH Rochester

## Pathways in Technology Program

- Students can earn **a college degree at no cost** along with their high school diploma.
- Students gain work experience while attending high school, with an inside track on good-paying jobs in the Computer Information Technology industry.
- Any 8th grader who enjoys using computers and smartphones should apply.

Students and parents **must** attend an information session before applying.

### Information Sessions:

Wednesday, April 16

**-OR-**

Wednesday, April 30

6-7:30 p.m.

RCSD Central Office  
131 West Broad Street  
3rd Floor Conference Room 3A/B

If you cannot attend or need more information, call 262-8705 or email: [PTECHinfo@rcsdk12.org](mailto:PTECHinfo@rcsdk12.org)
