Spring After School Clubs at School 12!

Please be aware that turning in all the materials **does not guarantee** a space in a club. It is our goal to accommodate as many students as possible in at least one club.

Rachel Larson, Grant Coordinator, will notify each family that their student has met all the requirements and can begin attending a club in January. **If you do not hear directly from Rachel, your child has been waitlisted** and you will be notified when a spot opens up.

- Most clubs run for six weeks beginning the week of April 21, 2014 and ending the week of May 26, 2014.
- School 12 staff will be leading each club, but volunteers are welcome!

Parents will need to provide transportation home. If your child is not picked up by 3:30-4:00pm (depending on the club) they will be released to the South Avenue Recreation center.

- If your student has already turned in a form for a club not listed here, they are on a wait list for that club and will be notified when a slot becomes available.

In order to participate, the following items must be received by April 7th:

- **Completed permission slip on the opposite side of this paper**
- **Completed South Avenue Recreation Center Application**(if not already on file)
- **Current doctor's physical (within the last year) on file with the school nurse - *NO EXCEPTIONS!***
