

School 25 Newsletter – May 2016

Wild Wings

The fifth grade students again got to look at raptors up close from Wild Wings

Butterfly Allendale

Allendale-Columbia school partnered with our school to create a butterfly garden. First the students from Allendale did a presentation on the endangered Monarch butterfly, then they went to the community garden and helped our students plant the type of plants and bushes that Monarch butterflies like in their garden.

School 25 Newsletter – continued

Penfield Students

This month students from Penfield High School again came to School 25 and helped in all different ways. They helped in the classrooms, in the library, they beautified the school grounds, they cleaned up the community garden and they even wrote Flat Stanley letters. They did a terrific job! The students and the teachers were all very grateful for their enthusiasm and help

Parent Information Corner

Please see the website for information.

Standard Bearers

Kaidence Pacheco and Jazmin Rodriguez, the Standard Bearers for the 2015-2016 school year are shown here passing the flag to Ty'Kirah Tucker and Sherman Carson, the Standard Bearers for the coming school year.

JA DAY

This busy month we also had a day with Junior Achievement. They spent time in all of our classrooms teaching students all about business and economics.
