Principal's Note:

Dear Parents,

Many of us are enjoying the double digit weather days as we have had a VERY cold February. Thank you to the parents who sent your students to school daily, despite the cold. As you know, attendance is one of the goals of the RCSD. Our attendance had been 94.5% through January; however during the month of February we fell to an average daily attendance of about 90%. Now that the weather is on the upward move, we are looking for improved attendance at Montessori Academy.

The American Montessori Society Annual Conference has just ended. We were fortunate that Mrs. Sciolino and Mrs. Francis were able to join me in Philadelphia for four days. We learned that we are not alone with many of the struggles we are facing: teacher training, assessments and Common Core are threads that we are all dealing with. We have been able to network to allow for our teachers to visit schools and we have connected with getting resources to support our work. Many of the leaders talked about the need for 3-5 years before they reached their pinnacle. We are at year 2, so we are getting closer.

NYS Assessments are just around the corner. NYS Grade 3—8 Testing schedule is noted below. We ask that you continue to encourage your child to do his/her best. That is all we ask! Middle and Upper Elementary teachers have been working throughout the year to provide your child with the rigor and stamina to be successful. We are proud of the efforts of so many of our students. Let's continue showing growth!

NYS ELA Tuesday, April 14—Thursday, April 16
NYS Math Wednesday, April 22— Friday, April 24

I am always available to meet with parents with any concerns. Feel free to contact me at the school 325-0935 or via email at: Shirley.green@rcsdk12.org.
Sincerely,

Shirley, JA Green, Ed.D
Principal

One of the first people you may see upon entering the building is a School Safety Officer (SSO). This team ensures the safety of the entire Dr. Freddie Thomas Learning Center campus—supporting both schools. Mr. Williams' specific assignment is monitoring the 2nd Floor—Montessori Academy.
