### Principal's Report

Vote on SBPT nomination -- Trista Wilson.

Nomination statement:

*As a long time city resident and parent with 2 children in the RCSD, one who is a 7th grader at Wilson Foundation Academy, I would be happy to have the opportunity to be involved in the Wilson SBPT. As a special education teacher and involved parent, I believe I can bring my professional and personal knowledge to this team. I look forward to learning about Wilson Foundation Academy at a new level and sharing what I learn with other parents. Thank you for this opportunity.* - Trista Wilson
