

*At TOPS Friendly Markets, we are committed to helping the communities we serve. Schools are a big part of those communities; that's why we're introducing **TOPS in Education**, a new program that makes it easier to get money for school improvements and programs.*

It is important to know that parents and supporters must re-enroll for the 2013/2014 school year. They can begin that process right now - Simply go to <http://www.topsmarkets.com/education/> and follow the enrollment steps. Customers will begin accruing funds for their school(s) of choice beginning August 11, 2013.
