

A, B, C

Equipment: Make letter cards, an alphabet line.

Set-up: Children are lined up with the letters placed in order in a pile at the end of the line.

Movement: Pass letter cards between legs

Pass letter cards over heads

Pass letter cards to the (R)

Pass letter cards to the (L)

Activity: While singing the song, the last child in line picks up the letter "A" and passes it between the legs to the child in front until it is passed to the first child in the line. The first child then places the letter on the alphabet line. The last child picks up the next letter card, and passes it to the front of the line. Now the 2nd child places the letter on the letter line. This continues until all the letters are on the alphabet line.
