

BB CD#3, Track #55

Wiloby waloby woo, an elephant sat on you,
Wiloby waloby wee, an elephant sat on me.
Wiloby waloby Wenan, an elephant sat on Kenan,
Wiloby waloby Wyan, an elephant sat on Ryan, etc.

After children know the song well, ask them to choose a letter other than “w” and write letter on board. Sing song again, starting with that letter, i.e. Milloby malloby moo.

Muscle strengthening activity from Moving Minds: Wrap heavy books (i.e. phonebooks, hard cover books) or 5 pound bag of flour WELL with strapping tape to keep it intact. Now wrap that with brown bag or cloth material and tape it up again. Tape the elephant face picture to the side to make the elephant prop. Children stand up and take the heavy “elephant” to the next child in the rhyme. Children can even line up and pass the elephant through their legs to the child behind them! If using as a transition song, child goes to sink, line up at door, etc. after they pass the elephant to the next child.
