Every student is encouraged to enjoy reading with their families over the summer break. You can read any title you choose, if you're looking for inspiration we have a newly expanded list of suggested titles at:

Please visit a branch of the Monroe County or Rochester Public Libraries this summer. There are 11 branches throughout the city offering special programs throughout the summer. Check with your local branch to see what events and programs are scheduled.

You can turn in this form at the Red Wings game on August 22<sup>nd</sup>. If you turn it in at the game, you will get two (2) free tickets to the game and a book. Older students are encouraged to read a book with younger students and turn in this form.

We would love to see pictures of you and your family reading! You can email your picture (include your first and last name, and which school you attend) to:
