### School Features

- **Unique environment:** The Leadership Academy is an all-male school that focuses on the learning styles and social emotional needs of young men. By eliminating the distractions of a co-ed environment, young men are able to direct their energies toward learning and graduation.
- **JROTC:** The Junior Reserve Officer Training Corps is a program in which all our students participate. The program is designed to build character and leadership skills, positive values, and the personal responsibility associated with being a contributing member of the larger community.
- **Mentoring & Career Coaches:** Students are offered a mentor or career coach who provide them with opportunities and insights about the world of work.
- **Community:** Each morning, students gather as a group to celebrate successes, share student work, and recite the school creed. The school's five prides are: Respect, Integrity, Accountability, Loyalty, & Courage.
- **College Readiness:** Students take trips to college campuses to experience student life after high school.
