School Features

- Offers two career-themed academies designed to prepare students for post-secondary success. Ninth graders will explore both academies through elective courses and project-based learning experiences and decide which path to pursue at the end of their freshman year. Students will then take specific electives along with their core courses. Students will have the opportunity to participate in paid/compensated internships, dual credit courses, and receive a NYS Career & Technical Education endorsement.
- **Academy of Finance & Entrepreneurship:** Offers students an opportunity to study accounting, international trade, leadership, and the use of technology in preparing for college and career. Students develop entrepreneurial skills and learn how to start their own business.
- **Academy of Hospitality & Tourism:** Provides students with real-world experiences in hotel and sports management, entertainment, and event management.
- Athletic offerings include basketball, swimming, tennis, soccer, cross country, indoor/outdoor track and field, baseball, softball, volleyball, and bowling.
