1. SBPT will discuss later in the spring on adjusting passing times for specials and lunches to help avoid too much traffic in the halls. Please let a SBPT member know your thoughts on adjusting specials to 35 minutes to help elevate passing time issues.
2. Grades 3-6 using the grade level Google Chrome carts will need to complete i-ready math and ELA diagnostic evaluations for each student during the month of January. SBPT has approved this.
3. The results of the RCSD school wide review that took place in mid-December will be reviewed at the January SBPT meeting.
4. Any questions of concerns please see a SBPT member or send a member an email with your thoughts of concerns.
