Can we change the day for RTI team meeting next year to a day when Rosa Bellone is here and she can be part of the discussion? This would ensure everyone is on the same page and items are completed in a timely manner so that the CSE process can move forward if necessary?

Yes, Dave will check with Rosa on her schedule for next fall and make sure to schedule RTI for a day that she is here.

Questions/Concerns were raised about PD hours for being a member of SBPT and Building Committee?

We are going to check with Margaret Sargent and find out what other buildings do.

Staffing for next year:

We are losing 2 General Education Classroom. The only opening we have is for a Special education teacher in the Kindergarten 12:1:1.

Next Meeting Tuesday May 12, 2015 @ 8:00 a.m.
