

Color Song – La canción de colores

By M. Speranza and B. Decker

Tune: Hot Cross Buns

BBCD#4, Track #9

This is a three-pitch song and can be used for COR, letter P (Singing), level 4. It obviously helps reinforce primary color recognition, but also shows rhythm and pitch in icon form. It also reinforces left to right tracking. Simply sing the colors as you point to them. The pitches written above the words can be sung when the xylophone is set up with only C, E, & G bars.

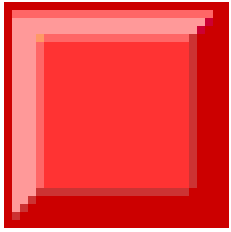

Red, green, blue,
Rojo, verde, azul,

Red, green, blue,

Yellow, yellow, yellow, yellow,
Amarillo, amarillo,

Red, green, blue.
Rojo, verde, azul.
