Dear Parents/Guardians,

My name is Mrs. Karin Hallam and I will be your child's first grade teacher. This is the list of tricky words that all first graders must know by the time they leave first grade. Please help your child by studying these words together. Some parents put them on index cards, the refrigerator, the wall, or play games with their children. I reward my students by giving them a small prize when they know all of the tricky words when I test them.

Sincerely,

Karin L. Hallam

Karin L. Hallam
First Grade Teacher, School #22, Room #100
