

High School Transition Night

School of the Arts
Information Session

Introductions

Heather Kelly - 7th-9th Grade
Counselor A-J

Maggie Dorgan - 7th-9th Grade
Counselor K-Z

Expectations

- Be Punctual and Be Present
 - Attendance in high school is critical and directly related to the passing or failing of courses.
 - Ex. Labs require a set amount of lab minutes to take a regents exam. When a student doesn't have enough minutes, they cannot sit for the exam.
 - Communicating and advocating for oneself
- Emailing or speaking with teachers when there is a question or need help
 - Setting up appointments with school personnel
 - Checking PowerSchool regularly to ensure they are aware of work that is due, or if anything is missing.
 - Parents are also able to access PowerSchool - if you need the ID and Password, please let us know so we can send it to you!

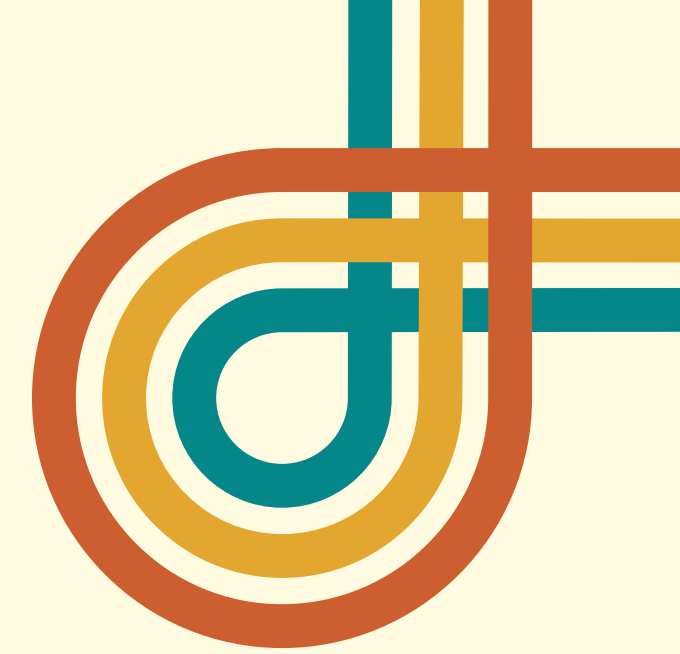

Expectations

- Students and Parents should be aware of RCSD and SOTA codes of conduct
 - Students should maintain:
 - Self-control
 - Appreciation of the rights of others
 - Respect for the property of the school and others
 - Appropriate use of social media
 - Display compliance with classroom rules for each individual teacher
- 

NYS Graduation Requirements

CREDIT REQUIREMENTS

(Apply to all diploma types: local, Regents, Regents with advanced designation)

	MINIMUM NUMBER OF CREDITS
English	4
Social Studies <small>(see note #6)</small> <i>Distributed as follows:</i> U.S. History (1) Global History and Geography (2) Participation in Government (½) Economics (½)	4
Science <i>Distributed as follows:</i> Life Science (1) Physical Science (1) Life Science or Physical Science (1)	3

Compensatory Safety Net	Non-Applicable		Non-Applicable		Non-Applicable		Scores of 45-54 on any required Regents exam (except ELA and Mathematics) can be compensated by a score of 65 or above on another required Regents exam including ELA and Mathematics.		Non-Applicable	

NYS Requirements

REGENTS DIPLOMA with ADVANCED DESIGNATION

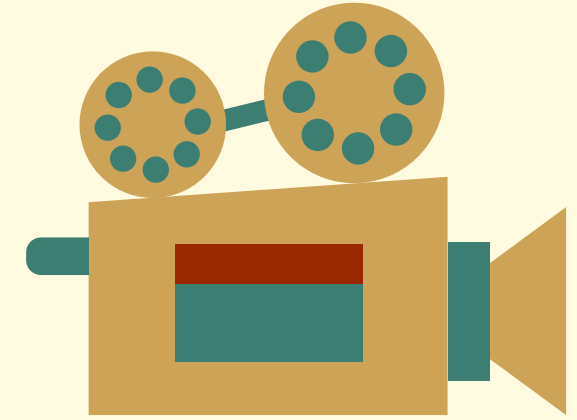

Depending on the pathway a student chooses, the Regents diploma with advanced designation assessment requirements may be met in multiple ways. Students seeking the Regents diploma with Advanced Designation may choose from the following assessment options:

Traditional Combination	ELA, Global History and Geography, US History and Government, 3 mathematics, 2 science (1 life science, 1 physical science) = 8 assessments. In addition, the student must choose either 2 additional credits in LOTE and the locally developed Checkpoint B LOTE Exam OR a 5-unit sequence in the arts or CTE.
Pathway Combination (other than STEM)	ELA, 1 social studies, 3 math, 2 science (1 life science, 1 physical science), 1 Pathway (other than science or math) or complete the requirements for the CDOS Commencement Credential = 7 (+CDOS) or 8 assessments. In addition, the student must choose either 2 additional credits in LOTE and the locally developed Checkpoint B LOTE Exam OR a 5-unit sequence in the arts or CTE.
STEM (Mathematics) Pathway Combination	ELA, 1 social studies, 4 math [†] , 2 science (1 life science, 1 physical science) = 8 assessments. In addition, the student must choose either 2 additional credits in LOTE and the locally developed Checkpoint B Exam or a 5-unit sequence in the arts or CTE.
STEM (Science) Pathway Combination	ELA, 1 social studies, 3 math, 3 science (at least 1 life science, at least 1 physical science) = 8 assessments. In addition, the student must choose either 2 additional credits in LOTE and the locally developed Checkpoint B LOTE Exam OR a 5-unit sequence in the arts or CTE.

SOTA Students already qualify for the NYS Advanced Designation with the Arts credits earned through their major.

SOTA Graduation Requirements

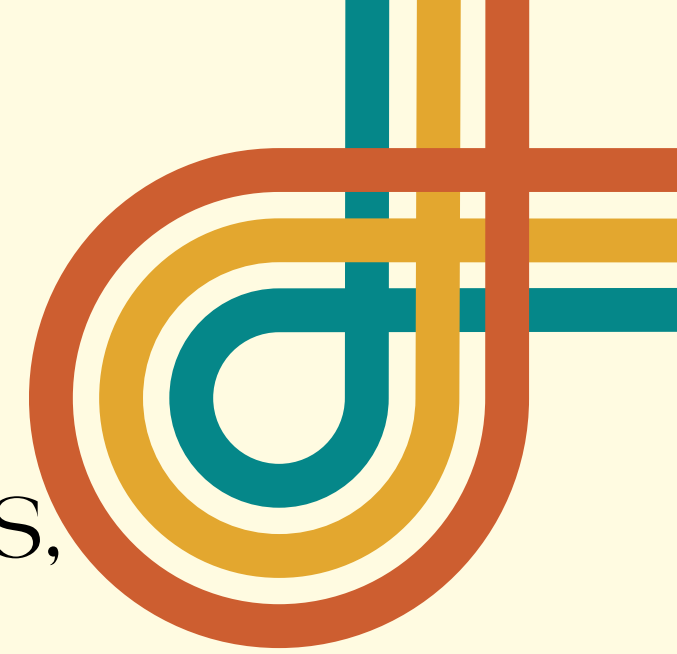

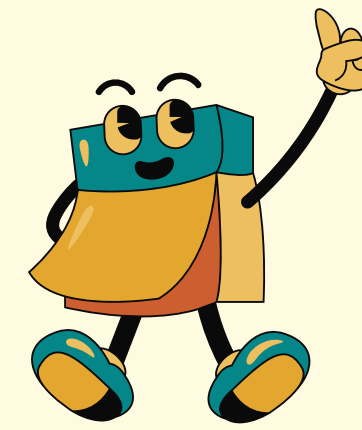

School of the Arts Graduation Requirements

Subject	Required Credits: SOTA Diploma	Required Credits: RCSD Diploma	Regents Diploma: Exam Requirements
English	4	4	65% on English
Social Studies	4	4	65% on Global History and US History
Math	3	3	65% on One (1) Regents Math exam
Science	3	3	65% on One (1) Regents Science exam
Foreign Language	1*	1*	
P.E.	2	2	
Health	.5	.5	
Arts	8	4.5 electives	
Total Required Credits	25.5	22	

*Or score 65% on 8th grade Checkpoint A exam

Naviance and College Board

Naviance:

- Where Counselors can communicate with parents, students, and college programs.
- Where students can connect with colleges and learn more about their academic, social, and emotional needs and goals.

College Board:

- A non-profit organization that supports college transitions and is the hub to see test scores such as the SAT, ACT, and AP exams.
- College Board also offers tutoring programs based on PSAT results
- For more information, you can visit the College Board website: <https://www.collegeboard.org/>

Summer School

8th-grade students going into 9th grade have an opportunity for advancement as well as recovery this summer:

- ROC Summer of Discovery at St. John Fisher University registration is open now. This placement is for advancement for high school credits. Parents must sign their child up if they'd like to attend.
- For students currently enrolled in a credit-bearing course, such as Earth Science or Algebra I, who fail an exam or course will be registered by their counselor for recovery at East High School.

Freshman Academy

The District is planning on having a Freshman Academy for the 2023-2024 school year. The details are still being worked out, but the hope is that over the summer there will be three separate sessions to introduce your students to high school. One session will be parent and student orientation, and the other two sessions will be for the students. The dates will be communicated once they are finalized.

The summer orientation intends to introduce students to a new setting. Here at SOTA, the students are familiar with the building, and the staff so this is our opportunity to work on goal-setting and community-building experiences. Students will also be reminded of graduation requirements and SOTA expectations during those days.

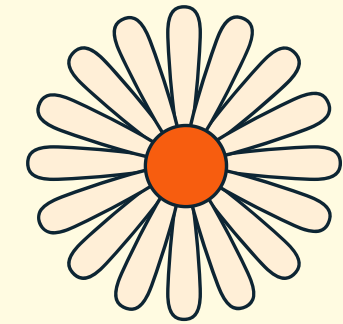

What to Expect in July

Course requests will be sent out at some point in July. If there is something that is incorrect or needs changing, please contact Ms. Nicastro via e-mail.

Q & A

Questions:

Q: Do students need to take summer school to take the August regents? Can they take the exam without taking summer school?

A: You do not need to attend all of the summer school if you pass the class but fail the regents. There is an opportunity to take a review class if you opt out of school in this case. If you fail the class and the regents, you should be signed up for summer school.

Q: What is the minimum grade for AP classes?

A: Students must have a 65 or higher to pass a course. The AP exam is on a 1-5 rating scale. Colleges recognize a 3, 4, or 5 for college credit. Some colleges only recognize a 4 or 5.

Q: If my student is taking Earth Science and Algebra I in 8th grade, does it count towards their diploma?

A: YES!! These classes, along with Spanish I C count towards a student's high school diploma (One credit for each class)

Questions

Q: What is the Spanish Checkpoint A exam?

A: This is the exam that 8th-grade students take to gain credit toward their language requirement for graduation.

Q: What are the other languages offered at SOTA?

A: After a student completes Spanish I C, they can take Mandarin Chinese or American Sign Language which are offered as a virtual course and taken in the Virtual lab with teachers in the room to help them if they need support.

Q: If my child plays a sport, are they PE exempt?

A: We do not exempt students who are athletes from PE. However, we do offer Dance classes for non-majors that count as a PE credit. Students have a choice between Jazz and Tap PE.

Questions

Q: What do students do when they have completed their 3 Math and 3 Science credits?

A: They can take more elective classes, continue on with other Math and Science classes, or they can have an advisement period.

Q: How does a student obtain an Advanced Regents Diploma with Honors?

A: The student must score above a 90% on each regents exam.

Q: Can a student take Mandarin Chinese in the World Language track?

A: There are no regents exams for Mandarin Chinese but it still counts for high school credit.

Questions

Q: How does the course request process work?

A: Students fill out a form during the year with their preferences and those preferences are taken into consideration when the counselors are inputting the information. SOTA has a very specific track that needs to be followed with major classes involved, but students or parents are able to see their requests via PowerSchool and can email their counselor or principal if there needs to be a change.

Q: When will students find out about their acceptance to the St. John Fisher Summer Program?

A: Families will be notified by the end of the month. They will hear from the district or their counselor directly.

Questions

Q: How do students double major?

A: Students have to re-audition in January to have a major added to their program of study. The addition of another major would not happen until the following year if accepted (Auditioned in 8th and begins in 9th). If a student re-auditions, they do not lose their spot in their current major. When a student "double majors" they take two pathways but they only complete half of each.

Q: Is the Freshman Academy district-wide?

A: Yes, this program is intended to be implemented in all high schools across the district
