

Hi all,

WXXI is delighted to announce the release of this wonderful new Parents App came out today from Daniel Tiger's Neighborhood to help parents and young children explore social emotional skills through popular songs from the PBS Kids show. Learn More at: <http://bit.ly/DanielTigerApp>

This FREE app, available in English and Spanish, is the perfect resource for parents to have everything they love from the series – including favorite songs, videos of Daniel and his parents, helpful hints from child development experts, and more – right at their fingertips, turning everyday experiences with their preschoolers into valuable, teachable moments that develop their child's social-emotional skills.

We look forward to working with you in implementing this app and other wonderful Ready to Learn resources from this program and other PBS Kids programming into early childhood settings and homes in our continued work in the community and schools.

Daniel Tiger Parent App Features:

- Over two dozen of the most popular songs from Daniel Tiger's Neighborhood, covering important topics like feelings, self-control, and responsibility
- Over 60 video clips to watch and share with your child, modeling how Daniel Tiger and his family use these songs
- Over 90 conversation starters and tips for parents with practical ways to use Daniel Tiger songs in every day life
- A custom picture frame for each song to take photos, capture the moment, and share with friends and family
- Available in English and Spanish
