Panther Parents

We need your help!

Please guide and support your child's summer learning by ensuring he or she:

- 1) Reads daily to develop a love for reading and improve literacy skills. Students should be reading for 20 minutes a night.
- 2) Visits a local library to check out a book, participate in book clubs, or join activity groups.
- 3) Practices his or her writing skills by keeping a journal, writing summaries of books read, and creating questions to do mock interviews.
