

November 28, 2021

Good afternoon Wilson Families,

I hope you all had peaceful holiday. I look forward to welcoming your children back to the building tomorrow. As we navigate this unusual year as a school, we are reviewing our building procedures to ensure that we can maximize our time in the classrooms and keep our students and adults safe.

As stated in my previous communication, we will be adjusting our cell phone policy. This week, we are focusing on providing our students with the information that phones will be collected due to the inappropriate use of the YondR pouches. We have found this to be a successful way to keep students focused in the classroom during school hours.

NEW PROCEDURE I am asking that if you are coming to the building to meet with an administrator, you call ahead to schedule a time to meet. We are extremely busy throughout the day but would love to sit with you to discuss how we can best support your child. It would be extremely helpful if this time was scheduled in advance so that we can give you our full attention. You can schedule an appointment by emailing WilsonInfo@rcsdk12.org or by calling the Main Office at (585) 328-3440.

Report cards were mailed home by Central Office, if you do not receive your child's report card by Friday, feel free to reach out to the school.

We look forward to incorporating some fun activities into our school day as we enter the upcoming holiday season!

Have a great week!

Julie VanDerwater
Principal
