HERE ARE A FEW SIMPLE IDEAS THAT MIGHT WORK FOR YOU.

IDEA 1:

Have students define insurrection and compare that to a protest and then see how we should define what happened.

IDEA 2:

Slideshow images from the day and have students write questions they have on them. Share , then try to find answers on them.

IDEA 3:

Watch Biden's short address and Trump's address and compare messaging.

IDEA 4:

Read the morning's articles on it from the NY Times, Washington Post, Washington Times, Fox News and compare.

IDEA 5:

Or just go in with no plan but to listen, share and ask students how they are doing.
