Greetings Parents and Guardians,

This year, Edison’s 2020 Orientation will be a drive-thru. This will be an opportunity for parents to pick up essential items each scholar needs to engage in remote learning from home. Using the school’s front parking lot, essential items will be delivered to parents and scholars who will remain in their cars. Each grade level is assigned specific days and times. Please let us know if you need to make other arrangements to pick up items for your child. Don’t miss out! Confirm your orientation drive-thru participation by calling Edison at 324-9700, P-Tech at 324-9722 or complete our orientation survey at <https://tinyurl.com/ETOrientation20-21>.
