Dear Members of our Rochester City School District Community,

Thank you for supporting Rochester children and families, especially during these challenging times. To provide additional support to our scholars, the RCSD will be receiving funds from the Federal American Rescue Plan Act. These one-time stimulus funds are intended to provide assistance and supports to help mitigate learning loss as more students begin to return to in-person learning in the summer and fall.

It is important to us that we that we receive community input on how these dollars are allocated. I would like to invite our students, families, staff, and community members to join us at one of our virtual public meetings. We need your voice to help us determine how these funds will be prioritized. This is an opportunity to transform the public education landscape in Rochester.

We look forward to connecting and hearing from you.

Sincerely,

A handwritten signature in blue ink that reads "Lesli C. Myers-Small".

Dr. Lesli C. Myers-Small
Superintendent of Schools
