Dear RECIHS Families,

We are looking forward to February 25, 2021 when we open our doors to welcome our scholars back to school! We wanted to provide you with an update on several items so that you and your child will be prepared for the opening day.

Instruction-First day of in-person learning-February 25, 2021.

Hybrid Model: Hybrid scholars will come to school for two consecutive days to receive in person instruction. The other three days will be delivered virtually, using synchronous/asynchronous learning. Wednesday will remain a day for asynchronous learning for all students.

Remote Model: Remote scholars learn remotely on Mondays, Tuesdays, Thursday and Friday. All classes will be delivered virtually, using synchronous/asynchronous learning. Wednesday will remain a day for asynchronous online learning for all students.

Please know while some scholar's schedules need to be modified, our school will work with you, your child, and his/her teacher to make sure your child is receiving the instruction needed.

Health and Safety

A COVID-19 parental consent form is included in this mailing. Guidelines from the State of New York require the District to test its students and staff for schools to remain open. Please complete this form if you are giving consent to administer the Shallow Nasal Swab COVID-19 test to your child at school as needed.

Technology

Students in grades 7-12 will need to bring their Chromebook with them to school on in-person days. They will also need to use their Chromebook on remote learning days. Students will need to transport their Chromebooks safely daily to ensure they can access learning on any remote learning day.

The following topics are covered in the information guide attached with this letter:

- Social Distancing
- Face Coverings
- Handwashing and Hand Sanitizer Use; Cleaning and Disinfecting School Buildings; Daily Home Health Screening for Students
- COVID-19 Testing
- Meals and Transportation (Arrival and Dismissal)

You are also encouraged to view this guide electronically at www.rcsdk12.org/familyguide. Please call us at 324-9010 if you have any questions. Thank you for all of your support!

Sincerely,

Uma Mehta

Principal
