STATE UNIVERSITY OF NEW YORK

Dear Parents and Students:

The purpose of this letter is to provide information to RCSD families of 8th grade students about Rochester Early College International High School (RECIHS) and our application process.

We are the only high school in the RCSD that offers an Early College Program. Our scholars take dual credit courses in Grades 9 and 10. They enjoy college campus experiences and take college courses at no cost in Grades 11 and 12. We are a small school that provides a family-like environment. We welcome highly motivated, hard-working and college-bound scholars.

All students interested in attending RECIHS must complete and submit a Rochester Early College International High School Application and Compact. The application and compact can be completed online using the following links. **The deadline to submit your Rochester Early College International High School Application and Compact is March 15, 2020.**

We encourage prospective RECIHS scholars and their families to join us on **Thursday, January 20** for our **Virtual Recruitment Presentation**. This event provides an opportunity to meet RECIHS staff and learn more about our unique Early College program.

PLEASE NOTE: If you apply to Rochester Early College International High School, you must also complete the RCSD *School of Choice Application Process* identifying alternate school choices or placement preferences in the event your child is not accepted into RECIHS. More information about the Schools of Choice process will be forthcoming from the Office of Student Placement and Equity.
