After completing the Student Interviews, discussing the Equity Self-Reflection, and reviewing recent data, including survey data, school teams should discuss what was learned and then review the document “[How Learning Happens](#),” particularly page 3. Then the team should ask, “**What should we prioritize to support our students and work toward the school we wish to be?**”

The team should take the answers to this question and identify 2 to 4 commitments for the 2021-22 school year. For each commitment, the team will identify strategies that will advance these commitments.

School teams have a lot of flexibility when selecting the commitments that are identified. There is no requirement that commitments must align with specific subject areas, as was required in the past. Any of the full statements that appear on page 3 of the [How Learning Happens](#) framework, such as “*Every child can see themselves reflected in teachers, leaders, curriculum, and learning materials*” could serve as a commitment. To be meaningful, it is important that the commitments be informed by the Student Interviews, Equity Self-Reflection, and review of recent data, and the commitments should connect to the school’s values and aspirations.

After school teams identify their commitments, they should consider strategies that will allow the school to advance that commitment. School teams will need to identify how they will gauge success with this strategy, what the strategy entails, and any resources that are necessary to implement that strategy.

COMMITMENT I

Our Commitment

<p>What is one commitment we will promote for 2021-22?</p>	<p>Improving Reading and Writing Across Content</p>
<p>Why are we making this commitment? <i>Things to potentially take into consideration when crafting this response:</i></p> <ul style="list-style-type: none"> • <i>How does this commitment fit into the school's vision?</i> • <i>Why did this emerge as something to commit to?</i> • <i>In what ways is this commitment influenced by the "How Learning Happens" document? The Equity Self-Reflection? Student Interviews?</i> • <i>What makes this the right commitment to pursue?</i> • <i>How does this fit into other commitments and the school's long-term plans?</i> 	<ul style="list-style-type: none"> • Students rarely meet the outstanding level on PBATS • Once students reach 11th grade many are still struggling with skills that should have been mastered in 9th & 10th grade in order to perform well on PBATS in all content areas. • We need to increase student's content vocabulary • Student inability to understand tasks to write an appropriate response • Student inability to summarize and write about non-fiction making connections in the writing • Lack of comprehension when reading academic text vs social media reading • lack of ability to engage in accountable conversation • Better writing is necessary for college and career readiness

End-of-the-Year Desired Outcomes

School teams are invited to consider if the belief statements shared below connect to this commitment. Since each commitment is unique, school teams should decide how progress about this commitment might be noted. If the team’s answer to a “we believe” prompt is no, that section should be left blank.

We believe these survey responses will give us good feedback about our progress with this commitment:

	Survey Question(s) or Statement(s)	Desired response <i>(e.g. % agree or strongly agree)</i>
Student Survey		
Staff Survey		
Family Survey		

We believe having the following occur will give us good feedback about our progress with this commitment:

Quantitative data and/or qualitative descriptions of where we strive to be at the end of the 2021-22 school year.
Create a spreadsheet including all PBAT scores from 2018-2019 SY to compare to the scores from the 2021-2022. This will enable us to see if there was any improvement in outcomes in content areas.

Evidence-Based Intervention

All CSI and TSI schools must implement at least one evidence-based intervention as part of its SCEP. The intervention identified must meet the criteria of a Tier 1, Tier 2, or Tier 3 evidence-based intervention under ESSA. More information can be found at:

<http://www.nysed.gov/accountability/evidence-based-interventions>

Schools may choose **one of three options** for identifying their evidence-based intervention:

Option 1: Selecting a strategy from the **State-Supported Evidence Based Strategies** located at:

<http://www.nysed.gov/accountability/state-supported-evidence-based-strategies>

Option 2: Selecting an evidence-based intervention **identified in one of three clearinghouses:** What Works Clearinghouse, Social Programs That Work, or Blueprints for Healthy Youth Development

Option 3: Reviewing research to identify its own evidence-based intervention that meets the criteria for ESSA evidence-based intervention Tier 1, Tier 2, or Tier 3 found at: <http://www.nysed.gov/accountability/evidence-based-interventions>

Directions: Place an "X" in the box next to the path the school has chosen for identifying its evidence-based intervention and follow the corresponding directions for that path.

State-Supported Evidence Based Strategy

If "X" is marked above, provide responses to the prompts below to identify the strategy and the commitment(s) it will support:

Evidence-Based Intervention Strategy Identified	
We envision that this Evidence-Based Intervention will support the following commitment(s) as follows	

Evidence-Based Intervention

Clearinghouse-Identified

If “X” is marked above, provide responses to the prompts below to identify the strategy, the commitment(s) it will support, the Clearinghouse that supports this as an evidence-based intervention, and the rating that Clearinghouse gave that intervention:

Evidence-Based Intervention Strategy Identified	
We envision that this Evidence-Based Intervention will support the following commitment(s) as follows	

Clearinghouse used and corresponding rating

- What Works Clearinghouse**
 - Rating: Meets WWC Standards Without Reservations
 - Rating: Meets WWC Standards With Reservations
- Social Programs That Work**

Our Team's Steps

Our plan is the result of collaborating to complete several distinct steps:

1. Interviewing Students
2. Completing the Equity Self-Reflection for Identified Schools
3. Reviewing Multiple Sources of Data and Feedback
4. Clarifying Priorities and Considering How They Connect to School Values
5. Writing the Plan
6. Completing the "Leveraging Resources" document

Meeting Dates

We completed the steps above across multiple meetings. Below is a list of dates we met as a team and what occurred during those meetings.

Meeting Date	Interviewing Students	Completing the Equity Self-Reflection for Identified Schools	Reviewing Multiple Sources of Data and Feedback	Clarifying Priorities and Considering How They Connect to School Values	Writing the Plan	Completing the "Leveraging Resources" document

Learning As A Team

Directions

After completing the previous sections, the team should complete the reflective prompts below.

Student Interviews

Describe how the Student Interview process informed the team's plan

Equity Self-Reflection

Describe how the Equity Self-Reflection informed the team's plan

Submission Assurances, Instructions and Next Steps

Submission Assurances

Directions: Place an "X" in the box next to each item prior to submission.

1. The SCEP has been developed in consultation with parents, school staff, and others in accordance with [the NYSED Requirements for Meaningful Stakeholder Participation](#) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
2. The SCEP will be implemented no later than the beginning of the first day of regular student attendance.
3. Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

Submission Instructions

CSI Schools: When your plan is ready for review, please share the plan with your NYSED liaison. Plans should be shared before July 30, 2021.

TSI Schools: When your plan is ready for review, please share the plan with your District, which will approve your plan. Plans will need to be approved before the first day of the 2021-22 school year.

Next Steps

1. In addition to having their plan approved by NYSED, CSI Schools will need to make sure that their plan has been approved by the Superintendent and the Board of Education (in New York City, the Chancellor or the Chancellor's designee) before the first day of the 2021-22 school year.
2. The approved CSI and TSI plans will need to be posted on the District's website.
3. Both CSI and TSI schools will need to complete the **Leveraging Resources to Support the SCEP** document and provide the document to their District. This document will be incorporated into the District's DCIP Planning Document, which will inform the 2021-22 DCIP.
4. Schools should plan to begin implementing their plan by the first day of the 2021-22 school year. Schools should continually monitor their implementation and make adjustment to their plans when appropriate.
