What is Title I?

RCSD/School #52

Part A –

- Elementary and Secondary Education Act, 1965

ESSA= Every Student Succeeds Act

- Provides additional funding to schools to
 - support additional learning opportunities for students;
 - ensure that all students have the chance to receive a high-quality education;
 - increase family engagement

Every student by face and name.
Every school, every classroom.
To and through graduation.

Administration of Grants

RCSD/School #52

Rules of thumb:

- Expenditures must be reasonable and necessary to carry out the goals of the grant
- Allowable under the intent of the grant
- Must be in addition to required instructional services provided to students as part of their regular school day
- We will use to Carry out Goals of School #52 and the current SIP plan

Every student by face and name.
Every school, every classroom.
To and through graduation.

How are Title I funds used at School #52

Parent/Family Engagement Activities

- Orientations
- Open House
- Parent Group Meetings
- Parent Center Resources
- Provide/Purchase additional resources to support parent/student collaborative learning

School #52 will...

- Have a parent group and school-based planning team with parents
- Invite parents to participate activities at the school, including developing school improvement plans
- Communicate with parents in the language that the parent prefers

Every student by face and name.
Every school, every classroom.
To and through graduation.
