District-wide, Rochester City School District (RCSD) will focus on increased work in social-emotional learning, college/career and interpersonal skills at all grade levels. Specifically, RCSD students will utilize Naviance Student to increase work in all assessments to strengthen these areas. Further, Naviance work will be used in annual individual reviews which will cover academic goal setting, behavior, SEL support, and more. Use Naviance as a "student portfolio" and reference to support other counselor responsibilities.
