Peace cannot be kept by
force; it can only be achieved
by understanding.

When you make
peace with
yourself you

What peace to mean is
When people in my community don't
be loud also when people don't be
shooting in the community and fighting or
when other people let people have freedom
like judge's and stuff,

What
Peace
means
to me
is when
Pelope
be hid
And Jest
Keep
Words These
Better
Please.

People May
Hate On you
In life. But
We are all
Facing our
Own fear's
In life.

So you just
Lay down
In a field
Of flower's
And release
all of the
Fear's and
Go to peace.
