Survey Results: Remote Learning

**Staff Survey**
Overall, how successful has remote learning/remote working been?
- Things are going well: 47.10%
- Some problems, but District staff have been helpful: 32.40%
- Significant problems with technology and students accessing class: 20.50%
- I am not satisfied with remote learning: 3.00%

**Student Survey**
How successful has remote learning been?
- Things are going well: 41.2%
- Some problems, but District staff have been helpful: 37.2%
- Significant problems with technology and students accessing class: 19.8%
- I am having difficulty with remote learning: 12.5%

**Family Survey**
How successful has remote learning been for your child?
- Things are going well: 37.2%
- Some problems, but teachers/staff have been helpful: 34.6%
- Significant problems with technology and accessing class: 8.4%
- I am not satisfied with remote learning: 8.6%
Survey Results: Reopening

Student Survey
The District continues to follow guidelines from the Monroe County and NYS health departments and Centers for Disease Control (CDC) to provide a safe and healthy school environment. Knowing this, how confident would you be attending school after the 10 weeks?

- Very confident: 20.8%
- Confident: 22.3%
- Not confident: 40.9%
- I will not be comfortable going back to school: 16.0%

Family Survey
If the District determines they can provide a safe learning environment in an in-person/remote hybrid model, how confident would you be in sending your child back to school if the District reopens after 10 weeks?

- Very confident: 30.5%
- Confident: 21.9%
- Not confident: 29.4%
- I will not send my child(ren) back to school: 18.2%

Staff Survey
If we were to reopen after 10 weeks, how confident are you in returning to work in person with the District following CDC guidelines?

- Very confident: 12.9%
- Confident: 23.0%
- Not confident: 64.1%
- I will not be comfortable going back to school: 64.1%
Survey Results: Concerns

**Student Survey**
If schools were to reopen after the 10 weeks, what areas of concern do you have about returning to school in a hybrid model? (check all that apply)

- Technology (MIFI, access to Chromebooks, access to data) - 37.6%
- Health and safety (masks, hand sanitizer, daily screening) - 18.9%
- Transportation - 12.9%
- Instruction (resources, materials) - 18.4%
- Schedules (screen time, asynchronous learning) - 8.5%

**Family Survey**
If schools were to reopen after the 10 weeks, what areas of concern do you have related to making an informed decision about sending your child to school? (Select all that apply)

- Technology (MIFI, access to Chromebooks, access to data) - 41.3%
- Health and safety (masks, hand sanitizer, daily screening) - 18.8%
- Transportation - 13.1%
- Instruction (resources, materials) - 18.5%
- Schedules (screen time, asynchronous learning) - 34.50%

**Staff Survey**
If schools were to reopen after the 10 weeks, what areas of concern do you have about returning to school in a hybrid model? (Check all that apply)

- Technology (MIFI, access to Chromebooks, access to data) - 86.30%
- Health and safety (masks, hand sanitizer, daily screening) - 32.60%
- Transportation - 22.00%
- Instruction (resources, materials) - 62.40%
- Schedules (screen time, asynchronous learning) - 34.50%
Survey Results: Communication

Student Survey
How do you feel about the communication you are receiving from your teacher/school?

- 38.2%: I am satisfied with the level of communication
- 6.9%: There have been some problems with communication, but teachers/school staff have been helpful
- 54.9%: I am not satisfied with the communication from my teacher

Family Survey
How do you feel about the communication you are receiving from your child’s teacher/school?

- 59.5%: I am satisfied with the level of communication
- 27.4%: There have been some problems with communication, but teachers/school staff have been helpful
- 10.9%: I am not satisfied with communication from the teacher/school
- 2.2%: I receive too many calls, too much information
Survey Results: Returning to School

**Student Survey**
I believe we should NOT physically return to school buildings and the District should continue with remote learning.

- 29.9% Strongly Agree
- 23.9% Agree
- 22.2% Disagree
- 23.9% Strongly Disagree

**Family Survey**
I believe students should NOT physically return to school buildings and the District should continue with remote learning.

- 38.5% Strongly Agree
- 21.7% Agree
- 21.1% Disagree
- 18.7% Strongly Disagree
Survey Results: Transportation

**Student Survey**
I am comfortable riding a bus to and from school with the regular number of student passengers as long as CDC guidelines are being followed.

- Strongly Agree: 23.8%
- Agree: 35.8%
- Disagree: 17.8%
- Strongly Disagree: 22.6%

**Family Survey**
I am comfortable with my child being transported to and from school on a school bus with the number of student passengers as outlined by Centers for Disease Control (CDC) guidelines as to the number of students that can be on the bus.

- Strongly Agree: 31.5%
- Agree: 17.8%
- Disagree: 11.6%
- Strongly Disagree: 11.2%
- None of the above – I plan on transporting my child(ren) to school: 27.9%
Survey Results: Student/In-person

Student Survey
I believe in-person school should resume after 10 weeks, where students go to school in a hybrid model (in-person and remote), with procedures in place to reduce the spread of illness.

- **41.1%** Strongly Agree
- **23.9%** Agree
- **19.7%** Disagree
- **15.2%** Strongly Disagree
Survey Results: Family

Family Survey
If the District continues with remote learning, how would this impact your family?

- No impact, no change: 37.7%
- Some impact, but does not change daily behavior: 16.9%
- Noticeable impact, with planning for changes to daily behavior: 16.9%
- Significant daily disruption: 28.5%

Family Survey
I believe in-person school should resume after 10 weeks, with a modified schedule in place that includes both in-person and remote learning.

- Strongly Agree: 21.8%
- Agree: 25.0%
- Disagree: 22.7%
- Strongly Disagree: 30.5%
Survey Results: Staff

What is your current job affiliation in the RCSD?
- RTA: 2.2%
- RAP: 5.6%
- BENTE: 13.1%
- ASAR: 5.7%
- Other: 73.5%

In which grade levels/location do you work? (select all that apply)
- Elementary: 54.60%
- Middle School: 23.30%
- High School: 32.10%
- Central Office: 4.70%
- Other: 4.00%
Survey Results: Staff

**Staff Survey**
What are some of the challenges you are facing with remote learning/remote working? (select all that apply)

- Technology: 71.10%
- Access to curriculum resources: 21.80%
- Remote learning: 44.00%
- Learning platforms: 24.60%
- Professional development: 17.70%

**Staff Survey**
What are some supports that have assisted you and students with remote learning? (select all that apply)

- Technology: 58.10%
- Access to curriculum resources: 33.80%
- Remote learning: 20.60%
- Learning platforms: 38.30%
- Professional development: 55.40%

**Staff Survey**
After 10 weeks of fully remote learning, which model would best meet the needs of our students?

- In-person learning: 23.8%
- Hybrid model: 42.3%
- Fully remote: 33.9%
