

ROCHESTER BOOT CAMP

Get PAID to receive top level training in HVAC with Isaac Heating & Air Conditioning

Isaac Heating & Air Conditioning's Boot Camp is an intensive twelve-week HVAC training program designed for individuals with little or no HVAC experience. Students chosen for Boot Camp are excited to begin a career in heating and A/C.

Students will be paid hourly while receiving full-time classroom, lab, and field training at the Isaac Training and Education Center (ITEC) facility in Rochester for six weeks.

After successful completion of this phase of the program, trainees will be placed in a field position where they will receive an additional six weeks of on-the-job training.

Graduation from Boot Camp is based on weekly test scores, lab participation, and field evaluations throughout the twelve-week program.

Upon graduation, trainees will receive an offer to become a member of the Isaac Heating & Air Conditioning team.

Boot Camp starts: June 14, 2021

Submission due: May 24, 2021

HOW TO APPLY

1. Write a paragraph explaining why you want to join the program and why you would make a good fit.
2. Send in your paragraph, resume, and contact information to BootCamp@IsaacHeating.com.
3. Viable candidates will be scheduled for a preliminary interview and a written mechanical comprehension test.
4. Applicants who are selected will receive an invite to our Open House event for final interviews.

Please note: Selected candidates must be able to successfully complete a phone screen, on-site interviews, assessments, a background check and a drug screen. Candidates must be 18 years old or older and have a valid NYS driver's license with an acceptable driving record. Candidates must have a high school diploma, or equivalent.
