Kapow!

Small Group Game using Dolch Primer Word List
How to Play:

- Place all of the cards in a bag or other container and shake to mix them up.
- Players (3 or more) sit in a circle.
- Without looking, player one pulls a card out of the bag and then reads the word out loud.
- If the player reads the word correctly, he keeps the card. If not, the card goes back in the bag.
- Pass the bag around the circle letting each player have a turn.
- If a player pulls a KAPOW card, he must pass all of the cards in his pile to the next player.
- Keep playing until there are no cards left in the bag. The player with the most cards wins.
