OUR MISSION

The mission of the Rochester City School District is to provide a quality education that ensures our students graduate with the skills to be successful in a democratic society and the global economy.

OUR VISION

Every Child by Face and Name. Every Classroom, Every School.
To and Through Graduation.

THEORY OF ACTION

If every student is known by face and name through personalized multi-tiered systems of support that

- Promote the well-being of the whole child, whole school, whole community,
- Guarantee powerful learning for every student,
- Build capacity to ensure comprehensive school improvement, and
- Cultivate equity by design,

then the District will disrupt long-standing patterns of failure by ensuring every child is reading on grade level and graduating on time.

Keynote Speaker #2 ***Dr. Terrence Roberts, Little Rock Nine***

Dr. Roberts was one of the Little Rock Nine, the group of African American teenagers who were the first to integrate Central High School in the Arkansas capital in 1957. Kept from entering the school by the Arkansas National Guard, the students were finally escorted into the building by U.S. Army soldiers deployed by President Eisenhower. Since that traumatic experience, Roberts went on to successful careers in education, as a professor of psychology, and business, as the CEO of the Terrence Roberts Management-Consulting Firm.
