

Student Compact for Grade 9

International Baccalaureate Programme at Joseph C. Wilson Magnet High School

This compact is for highly motivated and academically talented eighth grade students.

- Joseph C. Wilson Magnet High School has been an accredited International Baccalaureate World School since 2000.
- We have a tradition of excellence and a long history of preparing students for college and careers.
- Students who display the characteristics of an IB student will gain access into our prestigious International Baccalaureate Program for the 11th and 12th grades.
- We believe that student motivation is the most valuable characteristic of an International Baccalaureate student. Historically, highly motivated students with a GPA of 3.5 or better have the greatest chance of success in the IB Diploma Program.
- We are a full IB school—any student who is passionate, highly motivated, and has a strong work ethic can be successful in IB.
