Section 2: EMPLOYMENT

2:1 Commitment to and Notice of Non-Discrimination
The Rochester City School District does not discriminate on the basis of an individual's actual or perceived race, color, religion, creed, ethnicity, national origin, citizenship status, age, marital status, partnership status, disability, predisposing genetic characteristics, sexual orientation, gender (sex), military status, veteran status, domestic violence victim status, or political affiliation, and additionally does not discriminate against students on the basis of weight, gender identity, gender expression, and religious practices or any other basis prohibited by New York State and/or federal non-discrimination laws in employment or its programs and activities. The District provides equal access to community and youth organizations. Inquiries regarding the District's non-discrimination policies should be directed to:

Policy 9110—Equal Employment Opportunity

2:2 Sexual Harassment in the Workplace
The District is committed to maintaining a discrimination-free work environment. The Board of Education recognizes that harassment on the basis of sex, gender, gender identity or expression, and/or sexual orientation is abusive and illegal behavior that harms individuals and negatively impacts the school culture by creating an environment of fear, distrust, intimidation, and intolerance. The Board
further recognizes that preventing and remedying such harassment in schools is essential to ensure a healthy, nondiscriminatory environment in which students can learn and employees can work productively. Sexual harassment is one form of workplace discrimination. This policy addresses sexual harassment in the workplace and is one component of the District’s commitment to a discrimination-free work environment. The District will provide this policy to all employees in writing. The District will post this policy prominently throughout the District to the extent practicable.

Sexual harassment is a form of employee misconduct, a violation of District policy, and unlawful. Employees of every level who engage in sexual harassment, who knowingly allow such behavior to continue, or who fail to report suspected sexual harassment will be subject to remedial and/or disciplinary action by the District. Harassers may also be individually subject to liability pursuant to New York State law.

This policy applies to all employees. It also applies to individuals who are not employees of the District but are employees of contractors/subcontractors, vendors, consultants, and other persons who provide services in the District, such as interns, volunteers, parents, and temporary employees.

Sexual harassment in the workplace can occur between any individuals, regardless of their sex or gender. Unlawful sexual harassment is not limited to the physical workplace itself. Sexual harassment can occur on school grounds, school buses or District vehicles, and at school-sponsored events, programs, or activities, including those that take place at locations off school premises. It can also occur while employees are traveling for District business. Calls, texts, emails, and social media usage can constitute unlawful workplace harassment, even if they occur away from school grounds, on personal devices, or during non-work hours.

All staff are required to complete annual sexual harassment training, including reading the District’s policy.

Policy 0110—Sexual Harassment Policy
Regulation 0110—Regulation Regarding Sexual Harassment

2:3 Harassment, Intimidation, Bullying, or Cyberbullying
The Board of Education affirms its commitment and responsibility to provide equal educational and employment opportunities in an environment which is free from discrimination, including harassment and intimidation and to comply with all applicable laws that prohibit unlawful discrimination. A safe and civil school environment is necessary for learning and required for students to achieve academic success. These behaviors, like other disruptive or violent behaviors, are conduct that disrupts both the students’ ability to learn and the schools’ ability to educate students in a safe environment.

Policy 0100—District Policy Prohibiting Discrimination or Harassment of Students or Employees
Regulation 0100—Regulation Regarding Reporting Complaints of Discrimination or Harassment
2:4 Code of Conduct
Rochester’s schools strive to provide a safe and productive learning environment that will help students become successful, responsible citizens. Our goal is to ensure that all students have the opportunity to participate fully in their education without disruption.

The District’s Code of Conduct is written to promote a positive learning environment for all students. It spells out expectations for the responsible behavior of all partners in the school community: students, teachers, administrators and other staff, parents/guardians, and visitors to schools.

The District has developed, and its Board of Education adopted a Revised Code of Conduct on June 24, 2021, as Policy 1400, which governs the conduct of students, all school personnel, parents, and other visitors when on school property, while traveling in vehicles funded by the District, or while attending school functions.

Development of the Code of Conduct was overseen by the Community Task Force on School Climate, a collaboration between the District and numerous stakeholders facilitated by the Rochester Area Community Foundation. The process received support from a variety of places including the Advancement Project; the Alliance for a Quality Education; Education, Action and Change Committee of Facing Race=Embracing Equity; M.K. Gandhi Institute for Non-Violence; Metro Justice; Rise Up Rochester Inc.; Rochester Area Community Foundation; Rochester City School District; and Teen Empowerment.

2:5 Code of Ethics/Conflict of Interest
Improving the quality of our students’ education is the fundamental goal to which the District’s energies and resources must be devoted. The District’s activities shall be conducted in a manner that consistently supports that goal and demonstrates the highest standards of ethical behavior and fiscal accountability. The Board recognizes that in order to implement these principles, there must be clear and reasonable standards for ethical conduct. This Code of Ethics is intended to establish those standards and to prohibit acts incompatible with the public interest.

Policy 2160—Code of Ethics

2:6 Oath of Allegiance
Upon hire, all employees are required to sign an oath of allegiance supporting the Constitutions of the United States and the State of New York and promise to faithfully discharge duties to the best of their ability.

“I do solemnly swear (or affirm) that I will support the constitution of the United States of America and the constitution of the State of New York, and that I will faithfully discharge,
according to the best of my ability, the duties of the position of ......................(title of position),
to which I am now assigned.”

2:7 Stop Theft and Fraud—Whistleblower Policy & Hotline
We urge employees to report theft or fraud (or suspected theft or fraud) of Rochester City School District money, equipment, resources, materials, or supplies, or the use of Rochester City School District paid work time for personal gain or profit, to school authorities or police authorities. It is against the law to steal from the District or use District money, equipment, materials, or supplies, or paid work time for personal gain or profit. Every school employee has a responsibility to protect what rightfully belongs to the public.

The Board of Education operates a Whistleblower Hotline that allows employees and others to anonymously report illegal or unethical activities. These may include fraud, waste, theft, misuse of funds, abuse, conflicts of interest, and other ethics violations.

The toll-free number is 1-866-284-7040 and is available 24 hours a day, seven days a week.

Callers may remain anonymous.

Policy 9645—Whistleblower Policy

2:8 Gifts and Donations
No District officer or employee shall directly or indirectly receive any gift having a value in excess of the limitation established by General Municipal Law § 805 (currently $75 or more), whether in the form of money, services, loans, travel, entertainment, hospitality, etc., under circumstances in which it could reasonably be inferred that the gift was intended to influence the performance of his/her duties. However, the Board of Education welcomes the writing of letters or notes to staff members expressing gratitude or appreciation.

Nothing herein should be construed as prohibiting the traditional exchange of holiday gifts, provided discretion is used to ensure that gifts of value are not accepted by staff employees or officers. Gifts from children that are principally sentimental in nature and of insignificant financial value may be accepted in the spirit in which they are given.

Only the Board of Education may accept for the school district any gifts of money, property, or goods, except that the Superintendent may accept on behalf of the Board any such gifts of less than $1,500 in value.

The Board reserves and authorizes the Superintendent to reserve the right to refuse to accept any gift which does not contribute toward the achievement of the District’s goals or the ownership of which would tend to deplete the resources of the District. Any gift accepted by the Board or the Superintendent shall become the property of the District and may not be returned without the approval of the Board. Gifts are subject to the same controls and regulations as other properties of the District.
2:9 Employee Social Media and Social Networking Policy
The District realizes that part of 21st century learning is adapting to changing methods of communication. The importance of teachers, students, and parents engaging, collaborating, learning, and sharing in these digital environments is a part of 21st century learning. To this end, the District has adopted the following guidelines to provide direction for staff, students, and the RCSD community when participating in online social media activities. Whether or not an employee chooses to participate in a blog, wiki, online social network, or any other form of online publishing or discussion is their own decision. Free speech protects individuals who want to participate in social media, but laws and courts have ruled that school districts can discipline employees if their speech, including personal online postings, disrupts school operations.

The District recognizes that employees may engage in “social networking” while off duty. “Social networking” includes all types of posting on the Internet, including, but not limited to, social networking sites such as Twitter, Instagram, Facebook, or Linked-In; blogs and other online journals and diaries; bulletin boards and chat rooms; microblogging, such as Twitter; and the posting of videos on YouTube and similar media.

2:10 Accurate Reporting and Working
The employees of the Rochester City School District are dedicated to the education of our students and have their best interests at heart. There are many times when our staff work beyond their regular workday to ensure positive educational outcomes for our students.

We would like to take this time to remind each employee of the importance to accurately reflect time worked when completing timecards. Being paid for time that is not worked (or that is not requested leave time) is considered theft of services. Employees who engage in this type of conduct will be subject to disciplinary action, up to and including termination of employment, in accordance with applicable laws and collective bargaining agreements.

As a school district, we are accountable to our students, their families, and the cities’ taxpayers. Our students are the ones who lose out when our time is not appropriately accounted for.

All employees must ensure:
• Assigned duties are performed at any time an employee is “on the clock”.
• Hourly employees, paid by timecard, must accurately report their arrival time and departure time from work. Hours worked beyond the standard workday must be pre-approved by a supervisor. Timecards are to be submitted in a timely manner each pay period.
• Salaried employees must remain at work during their regularly scheduled work hours.
• Anytime an employee is not working during a regularly scheduled workday, they must submit for paid/unpaid time off by requesting pre approval from a supervisor and then submitting the
request in the District’s reporting system. If an employee is requesting to take unpaid time off, this request must also be pre-approved. Please be aware that there are additional contractual requirements in some bargaining units for use of paid time off before and after holidays.

- Employees working extra duties must accurately report and state only the actual time performing those duties, not the proposed scheduled time to perform the duties.

Anyone aware of theft of service can report this confidentially. The Board of Education operates a Whistleblower Hotline that allows employees and others to anonymously report illegal or unethical activities. These may include fraud, waste, theft, misuse of funds, abuse conflicts of interest, and other ethics violations.

The toll-free number is 1-866-284-7040 and is available 24 hours a day, seven days a week.

Callers may remain anonymous.

2:13 School Closing for Inclement Weather or Other Emergency

In the event of a school closure or delayed opening due to inclement weather or other emergency condition, the Rochester City School District notifies all employees through its robocall system and through District email. Staff members are to keep their contact information current by using Employee Self Service in PeopleSoft. Announcements are also posted on the District’s website and social media.

Once the decision to close schools is made, the following steps occur:

- Local television and radio stations are notified for their postings.
- An automated call is sent to all District families and staff.
- A web banner and on-screen alert is posted on the District website.
- Information is shared on the District Facebook, Twitter, and Instagram accounts.

Automated calls are sent to the number that is checked as “preferred” in PeopleSoft. Please review your account to ensure that the number selected is the one you would like to receive such calls. To update your account, log in to ROConnect, access PeopleSoft, and click on Employee Home under Employee Self Service in the main menu. From there, you will be able to update your phone numbers under Personal Information. [http://roconnect.rcsdk12.org](http://roconnect.rcsdk12.org)

This [fact sheet](http://roconnect.rcsdk12.org) provides general information on the break time requirement for nursing mothers in the Patient Protection and Affordable Care Act ("PPACA"), which took effect when the PPACA was signed into law on March 23, 2010 (P.L. 111-148). This law amended Section 7 of the Fair Labor Standards Act (FLSA).

[Break Time for Nursing Mothers, US Department of Labor](http://roconnect.rcsdk12.org)

**2:16 Equity and Diversity—Affinity Groups**

Positive and supportive cultures are created by the actions of each of us and are essential to the daily teaching and learning of not just our students, but also our staff. As a District, we recognize and celebrate the diversity of our student population daily. The Office of Human Capital strives to ensure opportunities for all by recruiting, developing, supporting, and retaining the most effective diverse staff. We are committed to retaining and supporting all our staff by working to develop advocacy groups for our colleagues.

Affinity Groups are employee groups organized based on social identity, shared characteristics, or life experiences. Affinity Groups are generally initiated by employees and often involve protected classes, such as sex, gender, sexual orientation, race, national origin, disability, and veteran status. Examples of Affinity Groups might include women in the workplace, working parents, lesbian, gay, bisexual, and transgender (LGBT) matters, and any other group based on a common set of interests.

The Office of Human Capital is interested in helping staff create and form fitting Affinity Groups as a method to attract, retain, support, and foster the exchange of ideas from staff of diverse backgrounds. Staff who are interested in helping to form an Affinity Group, please email us at [humancapital@rcsdk12.org](mailto:humancapital@rcsdk12.org) with the subject line: Affinity Groups. Information on any created Affinity Groups will be reflected in the future on the Office of Human Capital webpage.
2:17 Employment Opportunities & Career Advancement

Employees are encouraged to explore career development opportunities at the District. All employees are encouraged to gain the necessary skills, training, and work experience needed to qualify for advancement opportunities. The District believes in internal staff development and promotion from within whenever practicable. In all cases, the best qualified candidate for the position will be selected as determined by the selection committee’s recommendation and the approval of the Superintendent of Schools. Further information and procedures regarding filling vacant positions, promotions, and transfers within the District may exist in your Collective Bargaining Agreement.

Weekly, the Office of Human Capital emails all staff a listing of new and existing vacant positions. Vacancies can always be found on our careers site and all are encouraged to apply for fitting positions. Each job posting is identified with a job description. Interested candidates are encouraged to carefully review the job description to ensure fit and to understand the open job position’s primary duties and responsibilities as well as the skills and qualifications necessary to complete the job.

Candidates interested in applying should ensure their application is submitted through the web-based application portal. All staff are encouraged to assist others who may not work in the District, to consider employment in the RCSD.

2:18 Criminal History Background Checks & Fingerprinting

It is the policy of the Board of Education that no individual shall be employed by or actively work in the District unless such individual has undergone a criminal history background check and has been cleared for such employment or work as required by the New York State Education Law and the regulations of the Commissioner of Education.

NYS Law requires that new employees of the District undergo a fingerprint supported criminal history background check. New employees cannot begin work until fingerprinted and cleared by the New York State Education Department (NYSED).

Staff who need to schedule fingerprinting clearance for the NYSED can do so through MorphoTrust at their website www.identogo.com or by calling 1-877-472-6915.

A 6-digit service code for the NYSED is required: 14ZGR7

Staff may also contact the Office of School Safety and Security for assistance with fingerprinting at 585-262-8606 or at fingerprinting@rcsdk12.org.

Policy 9200—Criminal History Background Checks
Regulation 9200—Criminal History Background Checks Regulation
2:19 Identification Badges & New Hire Technology
Upon hire, staff are issued an identification badge (ID) and are expected to wear it at all times during work hours and at school-sponsored events.

ID badges provide a quick visual way to determine if a person belongs in a school or building. District IDs have a photo, relevant information, and should be worn prominently to ensure people who do not belong are spotted quickly. When implemented with other security features, like door access, wearing your ID badge prominently helps to keep students, staff, and visitors safe.

Upon confirmation of full fingerprint clearance from the NYS Education Department, an RCSD Employee ID number will be created and provided to the new employee. At the same time, this number will trigger notification that a laptop and other required technology is ready and available for pickup (laptops are provided to all teachers and administrators). Full-time staff will then be able to come to the Central Office to obtain their ID Badge. When available, staff will stop by the Reception Desk located on the first floor of RCSD Central Office, 131 W Broad Street, Rochester, NY 14614, to pick up and complete a Request for Staff Identification Badge Form. Upon completion of this form, staff will take it to the Office of School Safety and Security to get their photo ID.

School Safety and Security office hours are Monday - Friday, 8:30 am - 12 noon and 1:00 pm - 4:30 pm.

For questions about ID badges, staff may contact the Office of School Safety and Security at 585-262-8600.

Section 4: ATTENDANCE, ABSENCES AND LEAVES

4:1 Reporting Absences
All District Staff must record their absences via the Request for Absence form. Staff should submit the Request for Absence form to their supervisor to obtain approval for any absence, or immediately upon return from an unexpected emergency absence.

Teachers will have their absences reported in the SmartFind Substitute Management system and that will in turn populate the teacher’s time card. However, teachers should still be reviewing their time sheet each pay period to ensure all absences are properly reflected and there are no errors. If errors are discovered, concerns should be reported to the school building leader or school secretary.

All other staff will need to ensure they report their absences on their timesheet each week. It is important that absences are reported immediately on the timecard to ensure timely and accurate paychecks.

If you have questions about absences, below are appropriate contacts:

- Questions related to the timesheet and entering of time, please work with your supervisor, building secretary or email payroll@rcsdk12.org;
- Questions about availability of absences and what is available to you, please reach out to your union representative or email humancapital@rcsdk12.org.

Section 5: BUSINESS MANAGEMENT/COMMUNICATIONS

5:1 Travel
The Board of Education believes that staff attendance at appropriate in-state and out-of-state meetings, conferences, professional development opportunities and other events is beneficial to the District. Attendance at these events strengthens employees’ knowledge base, skills, and abilities; enhances professionalism; and promotes networking with other school districts and local and national entities that can support the District.

The purpose of this policy is to ensure that appropriate systems are in place to monitor and approve all requests for travel to ensure appropriateness; ensure that only allowable travel expenses are reimbursed; and ensure that employees are reimbursed for out-of-pocket expenses in a timely manner.

The Board allows for reasonable and necessary travel-related expenses to be reimbursed to employees who are traveling on District business. Allowable travel expenses include event registration fees; transportation expenses; lodging expenses; and food and nonalcoholic beverage expenses (including taxes, mandatory fees, and reasonable tips).

Employee attendance at meetings, conferences, professional development opportunities, and other events will be appropriate and enhance knowledge, skills, and abilities. Only allowable expenses will be reimbursed; employee reimbursement will be timely.

Transportation Expense Reimbursement: The District reimburses employees at the IRS Publication 1542 per mile rate as of the date the travel occurred. The IRS updates this rate periodically.

Meal Expense Reimbursement
The District reimburses employees at the government per diem rates for meals during approved travel as published by the U.S. General Services Administration as of the date the travel occurred. The U.S. General Services Administration updates this rate periodically. Receipts are not required to be submitted for meal expense reimbursement.

Tax Exemption
The District is a tax-exempt entity and will provide a tax-exempt certificate to employees to present to hotels and vendors to ensure that no tax is charged to an employee traveling on behalf of the District. The Superintendent or designee will establish a system to review and approve all travel requests to ensure that participation is appropriate. Further systems and procedures will be in place to review and monitor reimbursement of travel-related out-of-pocket expenditures to ensure that they are reasonable and necessary.

Employees traveling on behalf of the District must obtain approval from the Superintendent or designee for travel and must provide receipts and/or proper documentation of reasonable and necessary travel-related expenses for reimbursement.
Please visit the Intranet’s Accounts Payable page for procedures and forms.

Please also check your Collective Bargaining Agreement as it may include additional information or guidelines pertaining to this topic.

5:4 Use of School Premises for Other Than School Purposes
While the District’s school buildings and grounds are maintained primarily for the purpose of educating students within the District, the Board of Education recognizes that the buildings and grounds are a valuable community resource and believes that this resource should be available to the community for specific uses that will not interfere with educational activities. This policy is intended to identify the uses that community groups may make of those facilities.

5:5 Electronic Information Resources Acceptable Use

Consistent with the Board’s obligation to ensure that District resources are expended only for legitimate District needs, it is the policy of the Board that the District provides such devices at District expense to an employee when, in the judgment of the Superintendent or designee, the use of a cell phone is required in order for the employee to perform assigned duties; or when communication through other, less costly means, is inefficient, unavailable or impracticable.

District Operations, Health and Safety Guidelines

5:12 District-wide School Safety Plan
The Rochester City School District is committed to the safety and preparedness of its students, staff, and visitors. Our District-Wide School Safety Plan is an all-hazards approach to crisis management and focuses on mitigation/prevention, preparedness, response, and recovery procedures.

The District-Wide School Safety Plan is decreed by the Superintendent and adopted by the Board of Education. This plan is implemented at the time of an emergency at the direction of the Superintendent and/or their staff. "Incident Commanders" (Principal/designee) implement Building-Level Emergency Response Plans (BLERP) when directed by their respective School Chief, Deputy Superintendent or the Chief of Operations. In the absence of direction from senior leadership, each Building Incident Commander (Principal/designee) is authorized and directed to implement this plan, or take other action as may be, in their judgment, necessary to save lives and mitigate the effects of emergencies.

The District-Wide School Safety Plan is reviewed annually by the District-Wide Safety Team under the guidance of the Superintendent or designated Chief Emergency Officer. The District-Wide Safety Team is appointed by the Board of Education. The Plan is reviewed annually each spring and made available for a 30-day comment period and one public hearing after any revisions have been made. The Board of Education reviews and adopts the Plan annually, and it is uploaded to the Rochester City School District website.

New York State Education Code 2801-a and Commissioner’s Regulation 8 NYCRR Section 155.17 require that each school district shall amend and adopt a comprehensive district-wide school safety plan and building-level safety plans in relation to emergency response and management, and crisis intervention.
Plans are annually reviewed by the district-wide school safety team and building-level school safety teams.

5:13 Substitute Management
The role of a per diem substitute teacher is an integral part of student learning as they bridge the educational gap when regular classroom teachers are absent or if a teaching position is vacant. The same high standards and accountability demonstrated from permanently assigned teachers are also expected from substitute teachers.

New York State does not require a substitute teacher to hold a teaching certificate in order to work as a per diem substitute, but it is preferred.

The need for per diem substitute teachers varies throughout the school year; however, several other factors also affect the frequency with which substitutes may be called. These include weekly availability and successful completion of per diem teaching assignments. For more information about the responsibilities, compensation, and benefits for per diem substitute teachers, please view the Per Diem Substitute Handbook.

Interested applicants should visit the careers section on the RCSD website to apply.

Section 6: PERFORMANCE

6:1 Reporting Child Abuse, Maltreatment or Neglect in a Domestic/Educational Setting
The Board of Education recognizes that because of their sustained contact with school-aged children, employees are in a position to identify abused, maltreated, or neglected children and refer them for treatment and protection. The Board further recognizes the specific dictates of law which require school officials to report suspected instances of child abuse and maltreatment (which includes neglect) in a domestic setting.

The Board of Education recognizes that children have the right to an educational setting that does not threaten their physical and emotional health and development. Child abuse by school personnel and school volunteers violates this right and therefore is strictly prohibited.

 Allegations of child abuse by school personnel and school volunteers shall be reported in accordance with the requirements of Article 23B of the Education Law.
Policy 5460—Policy Regarding Suspected Child Abuse and Maltreatment: Reporting Requirements for All District Staff

Reporting procedures and related information:

1. All District employees, including building administrators, teachers, registered nurses, doctors, psychologists or psychiatrists, and all other employees who come into contact with students, are required to report all cases of suspected child abuse or maltreatment to the Child Abuse Hotline.

2. All mandated reporters or any other District staff who have reasonable cause to suspect that a child is an abused or maltreated child must immediately personally make a report to:
   a. 585-461-5690 Monroe County Child Abuse Reporting Hotline
      OR
   b. 800-635-1522 State Central Register for Child Abuse and Maltreatment (mandated reporters)
      OR
   c. 800-342-3720 State Central Register for Child Abuse and Maltreatment (non-mandated reporting)
      AND
      Immediately notify the building principal or his/her designee of the report

The building principal is required to:

a. Inform the Superintendent of Schools of the information received; and
b. Shall be responsible for all subsequent administration required by the report including filing a written report with the local child protective services agency within forty-eight hours after the above report.

Refer to above noted policy and regulation for further information.

6:2 De-Escalation of Crisis Situations

The Board of Education recognizes the need to ensure that student participation in learning is free from unreasonable and unnecessary physical restraint and that such an intervention is used only in emergency situations. It is the Board’s intention that positive, preventive behavioral supports be proactively employed as a means to significantly limit the need for use of emergency interventions.

This policy is intended to promote student and staff safety and prevent student violence, self-injuries, or injuries to others by emphasizing de-escalation of potentially dangerous behavior that may occur with an individual student or among groups of students in an effort to avoid the need for use of emergency interventions. This policy is also intended to ensure that, when emergency interventions are necessary, they are administered in the least intrusive manner possible.

Policy 8200—De-escalation of Crisis Situations
6:3 Employee Performance Review/Evaluations
The Staff and Educator Effectiveness Team within the Office of Human Capital, promotes and supports the effective preparation, development, and improvement of RCSD's teachers, instructional leaders, and support staff to ensure that through effective professional practice, we build, support, and sustain school communities that provide all students with a high-quality education that prepares them to graduate as responsible, active citizens ready for success in college and careers and prepared to compete in a global economy.

Smoking, tobacco use, and use of electronic cigarettes are also prohibited within 100 feet of all District building entrances, exits, and outdoor areas, except when this includes residential property. This prohibition extends to all employees, students, visitors, guests, and clients of the District.

District employees and students who violate this policy shall be subject to appropriate disciplinary action, as outlined in the Code of Conduct (1400).

Visitors, guests and clients of the District shall be subject to ejection from school grounds if they refuse to abide by this policy.

Policy 1530—Smoking, Tobacco Use, and Use of Electronic Cigarettes on School District Premises

"Workplace" shall mean any site on District or school grounds, at school-sponsored activities, or any place in which an employee is working within the scope of their employment or duties. "Controlled substances" shall include all drugs, which are banned or controlled under federal or state law, including those for which a physician's prescription is required, as well as any other chemical substance which is deliberately ingested to produce psychological or physiological effects, other than accepted foods or beverages. All applicants selected for employment with the Rochester City School District shall be subject to a pre-employment drug test.

Consistent with the change to New York Labor Law §201-d, the District shall not conduct pre-employment drug testing for marijuana, for most employees. The District is required to continue to test for marijuana for those employees required to be licensed or otherwise cleared by the Federal Departments of Transportation or Labor (e.g. Commercial Drivers’ License), including, but not limited to:

6:6 Workplace Behavior/Professionalism
People who work together have an impact on each other’s performance, productivity, and personal satisfaction in their jobs. In addition, the way in which our employees act toward individuals dealing with the Rochester City School District will influence whether those relations are successful or not. Because an employee’s conduct may affect others, we expect employees to act in a professional manner while on District property, conducting District business or representing the District at business or social functions.

Individuals who act unprofessionally may face possible disciplinary actions, in accordance with applicable laws and collective bargaining agreements.

Section 7: SEPARATION

7:1 Leaving the Employ of the RCSD/Exit Checklist

8:2 Social-Emotional Learning (SEL) Toolkit
Social-Emotional Learning (SEL) support will be provided to students, parents, and teachers throughout their schools and community-based partners. The SEL Toolkit has been created to support the social-emotional needs of students, parents, and teachers.

In our SEL Toolkit, you will find links to resources, classroom activities, discussions, and recreational activities. There are community resources for parents and caregivers related to SEL support on the side panel, under Caregiver & Parent Support and on the Community Health Supports page. The SEL Toolkit will be fluid and additional resources for students, parents/caregivers, and teachers will be added throughout the year. In addition to the SEL Toolkit, there is an SEL Hotline that is monitored by social workers and counselors. The Hotline will be available from 8:00 am – 3:00 pm at 585-262-8333. Students can also contact the Center for Youth 24 Hour Hotline at 585-271-7670. We also provide Drop-In SEL Sessions throughout the year for students, parents, and teachers.

A systemic approach to SEL intentionally cultivates a caring, participatory, and equitable learning environment and evidence-based practices that actively involve all students in their social, emotional, and academic growth. This approach infuses social and emotional learning into every part of students’ daily lives—across all of their classrooms, during all times of the school day, and when they are in their homes and communities.

8:3 English Language Learner (ELL), Bilingual & Multilingual Learner (ML) Resources and Handbook
An overview of District policies, procedures, and guidance regarding different English Language Learners (ELLs)/Multilingual Learners (MLs) program options for student placement as well as educational and social emotional resources is found within our English Language Learner Handbook. There are 65 different languages spoken in the District. The District promotes bilingualism and biculturalism as strengths that, when honored and cultivated, lead to increased student achievement. Cultivation of these strengths at school includes academic instruction that reflects the cultural backgrounds of all students.

RCSD Board policy compels instruction for ELLs/MLs which supports the acquisition of content and language skills. Students’ previous learning and cultural experiences are relevant as foundational knowledge that teachers can build upon. The District supports instruction that is culturally responsive and sustaining thus contributing to increasing graduation rates among ELLs/MLs.

In addition to culturally relevant instructional practices, The District is committed to supporting students in the attainment of the New York State’s Seal of Biliteracy incentive. The Seal of Biliteracy acknowledges students’ bilingualism in the form of graduation credits once they satisfy the requirements of the Seal. Students can use their advanced language skills as an asset when setting future goals. Please visit our District NYSSB resource page to access more information and resources at RCSD NYSSB.
