

## We are pleased to tell you about an exciting new web-based system called ParentCONNECT.

This system is designed to improve communication between school and home to support student achievement. Through this secure online system, you will be able to check your child's academic progress from any computer, any time.

### User-friendly ParentCONNECT allows you to:

- Check homework assignments and grades
- View report cards
- Check attendance reports
- Communicate with your child's teacher and more

Please fill out the registration form. You as the parent must take the form to your child's school and provide a photo ID of yourself. This is to ensure the security of your account. If you have more than one child, return it to any one of their schools. Registration events will also be posted on our website, [www.rcsdk12.org](http://www.rcsdk12.org), under "Shortcuts" and "ParentCONNECT." Opportunities will also be available at your child's school.

Our work as a school district includes supporting you, the parents and families of our students, as you support your child's academic success. We encourage you to take advantage of ParentCONNECT to help you help your child succeed.

If you need more information or have questions about ParentCONNECT, please email: [ParentConnect@rcsdk12.org](mailto:ParentConnect@rcsdk12.org).
