

SUNY Makes it Easy to Apply to College

Many things are uncertain this year. SUNY is not. We're keeping our students on track, on campus, and most of all, safe and healthy so they can focus on what really matters – their educational goals.

With 64 institutions, including research universities, academic medical centers, liberal arts colleges, community colleges, colleges of technology and an online learning network, there is a SUNY education to fit every student. To prepare your seniors for a future at SUNY, we are offering the following events throughout the spring semester.

SUNY APPLICATION WEEK MAR 15 – MAR 19

Our team of admissions advisors are available for one-on-one virtual appointments to answer questions and assist students in completing the SUNY application. Students can register at engage.suny.edu/portal/suny_application_week.

VIRTUAL ONE-ON-ONE COUNSELOR APPOINTMENTS

Our Counselor of the Day will answer questions about SUNY offerings and the application process. Students can register at engage.suny.edu/portal/counselor_of_the_day.

VIRTUAL INFORMATION SESSIONS

Students can watch live presentations and ask questions via chat. Topics include an Overview of SUNY, Navigating Financial Aid, FAFSA Completion, Dream Act Application Completion, and the Educational Opportunity Program (EOP). Students can register at suny.edu/studentevents.
