

We are Lunsford Strong!

We are **Mrs. Nicpon** and **Mrs. Anderson**, and we're very excited to be your child's second grade teachers this year.

We are so happy to welcome you to Dr. Charles T. Lunsford, School #19 and our classroom! Second grade is a very busy year, filled with lots of fun and learning. We all know it takes a village to raise a child and we are very excited about being a part of that village! We will be contacting you soon and if you are comfortable doing so, we'd love to meet your child and the important people in his/her life. A school-wide 'Family Meet & Greet' is planned for Tuesday, September 3 from 1 -3 pm.

We'd love to meet you all before school starts!

A Little About Us...

Mrs. Anna Nicpon

I received my Master's in Education from Nazareth College in 2011. I've previously taught students in grades UPK through 3rd grade in Cayuga County and Monroe County districts before accepting a fulltime teaching opportunity in the RSCD at School #19. This will be my third year teaching 2nd grade here at School #19. Before teaching I was a Youth Minister, Director for my church and before that I owned and operated my own Child Daycare in my home. I am a proud mom of two daughters, Erica and Meghan, and their husbands. I am truly blessed with two beautiful grandchildren, Tiernan and McShane.

I truly love being their Nana!

I am so looking forward being your child's teacher and working along side Mrs. Anderson. We will have a wonderful and exciting year of learning and growing!

Mrs. Jeanie Anderson

I've previously taught students in area districts, but I've found my true home here at the Rochester City School District. This is my third year teaching 2nd graders at RCSD and I am more excited than ever to begin this school year co-teaching with Mrs. Nicpon!

My husband and I have two children: a 21 year old daughter and a 19 year old son. In addition to spending time with family and friends, I love attending concerts to hear a variety of musical genres; I really enjoy reading books about ordinary people doing extraordinary things to change their life or the lives of others; and I am a passionate (*long suffering!*) Buffalo Bills fan. One 'bucket list' item my husband and I have is to see a game at as many Major League Baseball parks as we can (we've been to 6 out of the 30 so far).

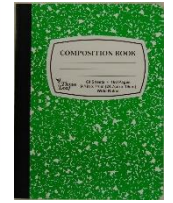

I am truly looking forward to learning and growing alongside your child this year!

Your child's 'Take Home Folder' will be crucial for daily communication. Along with any homework, all classroom and/or school-wide information will be in these folders. As such, folders will **need to be checked and signed daily by a parent/guardian to ensure homework is completed, and that any necessary school forms are filled out.** You may also use the folder to ask any questions or share pertinent information with us. It is your child's responsibility to show you the folder, complete homework, and have you sign the signature form.

Second Grade Supply List

- Expo Markers **Black**
- Wide ruled composition note book
 - **Red & Green**
- Kleenex
- Hand Sanitizer

We are pleased that we have secured donations for all other academic supplies. If your child chooses to bring in anything other than what is listed, please be sure s/he understands those will be they will be shared among the entire class.

Thank you, in advance, for being wonderfully supportive of your child and his/her education and growth. Please contact us with any questions or concerns you or your child have about upcoming school year. We are **always** available through the school's phone, email, and a free app called **Seesaw**. More information about  **Seesaw** forthcoming.
