

Welcome to Six Grade!

Dear Parents and Families,

We are looking forward to an awesome year with you and your child. We plan on working closely as a parent, teacher, student team this year. We are excited to welcome you to our sixth grade family here at School #19. In our classroom we build relationships, families are respected, and children are honored.

About our classroom

School #19 will again use a team model approach to learning. Each grade level is supported by four teachers among two classrooms. This model supports your child by enabling small group instruction to meet your child where they are at.

As we prepare for the first day of school on **Wednesday, September 4th** these are the supplies we would like your child to have:

Supplies List

- 1 Pack of Glue Sticks
- 3 Boxes of Pencils and Erasers
- Headphones (To Be Kept in School) (In a Small Ziploc Bag)
- 2 Boxes of Tissues
- 1 Container of Lysol Wipes
- 4 Notebooks
- 5 Folders (1 Fun one for homework)
- Scientific Calculator
- 1 Box of 2 Gallon Ziploc Bags
- Hand Sanitizer
- Dry Erase Markers
- Pencil Box
- Lined Paper
- Multiplication and Division Flash Cards (For Home and School)

As supplies need to be replenished we will send home a friendly reminder.

We look forward to meeting your child soon! If you have any questions or concerns please feel free to call us at (585) 328-7454.

Mrs. Boddie- Graham

Ms. Muir

Ms. Boehly

Mr. Longwell
