Dear SOTA Parents and Guardians,

The beginning of SOTA’s annual Dance Concert rehearsal process is always an exciting time of the year! The rehearsals are organized in two time slots; one directly after school and one beginning at 3:50 PM. Frequently the students ask for a pass to leave, and come back into the building to get something to eat if they do not have a first-slot rehearsal. This may include a short walk to: Village Gate, up to Wendy’s on Main St., up University Avenue to Starry Nights Café. or the Corner Store.

**If you would like to give permission to your son / daughter permission to leave the building before their second slot dance rehearsal, please sign the permission slip below.** If your student, would like to leave the building before their second-slot rehearsal, the following procedure will be followed:

- A laminated pass will be issued to the student,
- When a student shows this pass to the advisor overseeing rehearsals for that particular night, and a pass to *exit* and *return* will be issued,
- If we do not have your signature on file, your child will remain in the building until the appropriate rehearsal time.

Your child’s safety is of the utmost importance the Dance Department, and the SOTA community. As always, never hesitate to reach out to any of us. A copy of this form can be found on the SOTA website under the **Parent Channel - Dance Concert Tab**. <https://www.rcsdk12.org/SOTA>. Thank you very much for your cooperation.

Sincerely,

Ms. Bridget Bell
