

1.	Click on Sign in with Google to Log into ROConnect on the district issued Chromebook	
2.	Click on Seesaw icon	
3.	To move between homeroom, art, music, P.E. click on student name in the top right corner of the screen	
4.	Click on "activities" to view assignments from the teacher *The red number indicates how many assignments need to be completed	
5.	Students will see a stream of activities to complete. To complete the activities students will click on "add response"	
6.	Students can use any one of the tools to complete the activity. *pencil, pen, highlighter, magic pen, eraser *add label, add voice, add photo	
7.	Students can also post to their journal to share work with their teacher that may not have been directly assigned by the teacher by pressing the green +. This is a great way for students to share photos of writing tasks, drawings, or videos of their learning.	

8.	Once students have submitted work for their teacher to view they can see the completed assignment and feedback from the teacher by clicking on "journal"	
9.	Click on the inbox to view messages and notifications from the teacher. *Feedback from the teacher can be viewed in notifications as well.	

Logging into Seesaw from a Tablet/Phone

1. Request a home learning code from the homeroom teacher

2.	Download the Seesaw Class App	
3.	Select "I am a Student"	
3.	Login Seesaw Class App with either the QR code or Text Code	
4.	Follow steps 3-9 above
