

Thank you for believing in me and giving me the confidence to soar beyond just a job, allowing me to find a career.

-Amanda, Graduate

My interest and decisions about college increased through college tours and presentations. As a result, I applied to more than 10 colleges and I have already been accepted into 5... It makes me so happy to think about how I came to Future Ready so far behind and that now I only need to finish two classes to graduate.

-Liniaha, Future Ready Senior

# About Future Ready

Future Ready prepares students in grades 7-12 for lifelong success in school, college and career. Students in Future Ready receive year-round academic and navigation support as they develop employment and life skills. Students will work with their Navigator to chart a college and career plan that will have them Future Ready!

## Holistic & Student-Centered

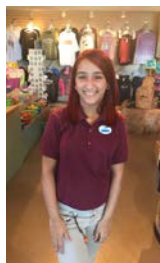

## Academic Success

Bright futures start with the support students need to succeed in school and graduate from high school Future Ready:

- Academic Tutoring
- Regents Exam Prep
- Experiential Learning
- Summer Learning & Enrichment

## Navigation Support

Navigators are mentors and guides who meet with students regularly to:

- Develop & Implement Individual Action Plans
- Identify & Assess Academic Needs
- Coordinate wraparound services, experiential hands-on learning, and job-readiness training and placement.

## Career & College Ready

Preparing for post-graduation success starts now with the skills training, navigation support and interactive experiences students need to be college and career-ready:

- Career Spotlights
- Networking Opportunities
- Future Ready Employment Education (FREE) Academy
- College Tours
- College Application and FAFSA planning

## Skill Building

Future Ready equips students on the college or career path of their choice through:

- Increasing academic, social-emotional and employment skills
- Quarterly assessments
- Coaching and tools for job searching, career exploration including the latest technology
