Name: \_\_\_\_\_

Trace each circle.

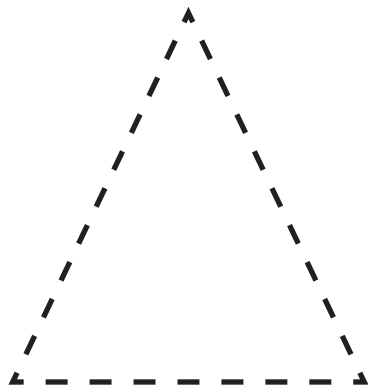

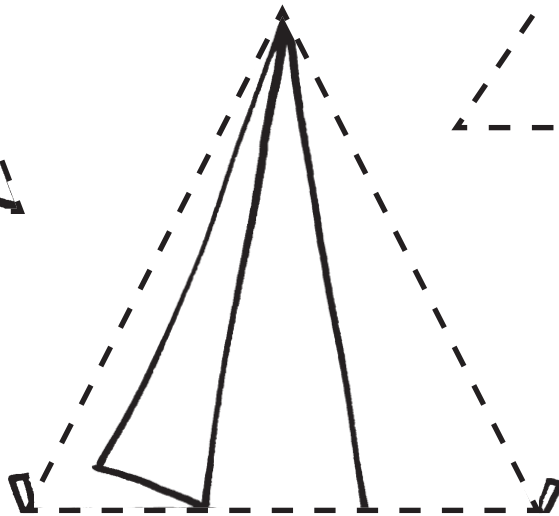

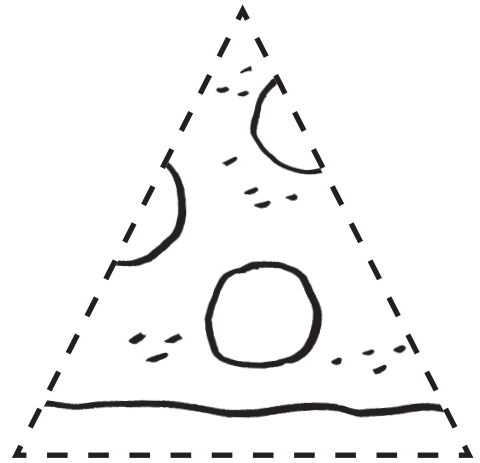

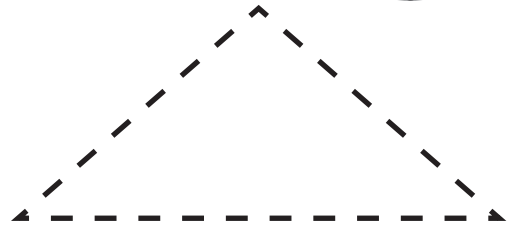

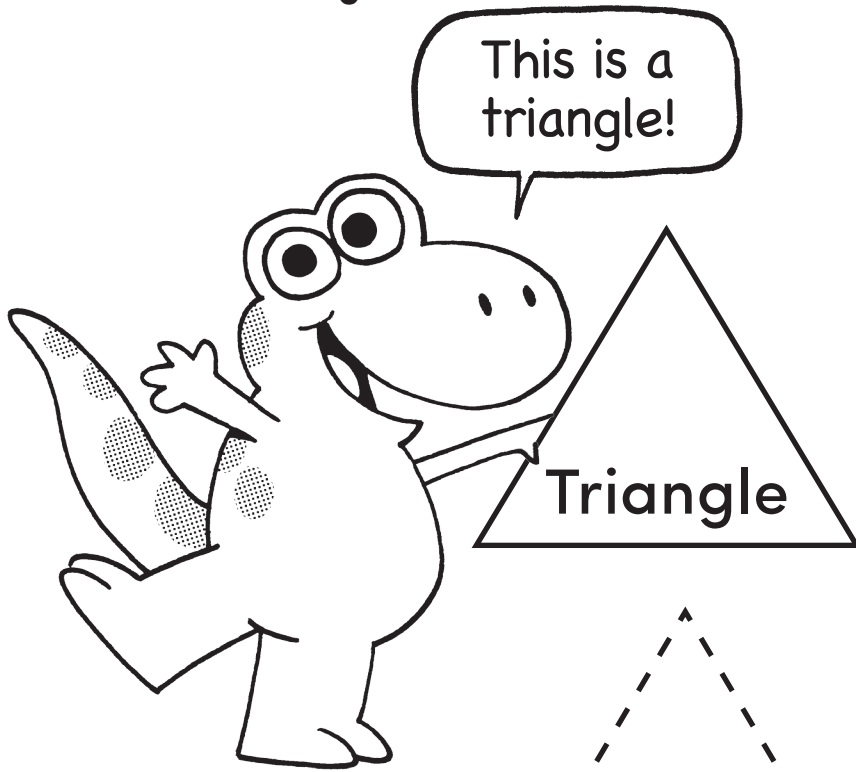

Name: \_\_\_\_\_

Trace each square.

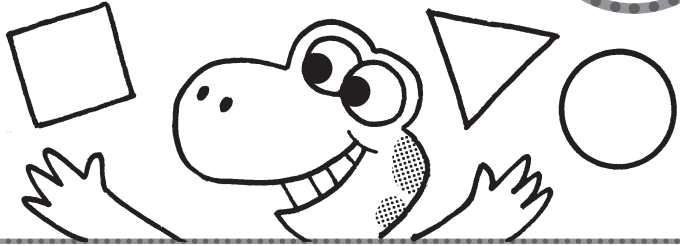

Name: \_\_\_\_\_

Trace each triangle.

Name: \_\_\_\_\_

Draw lines!

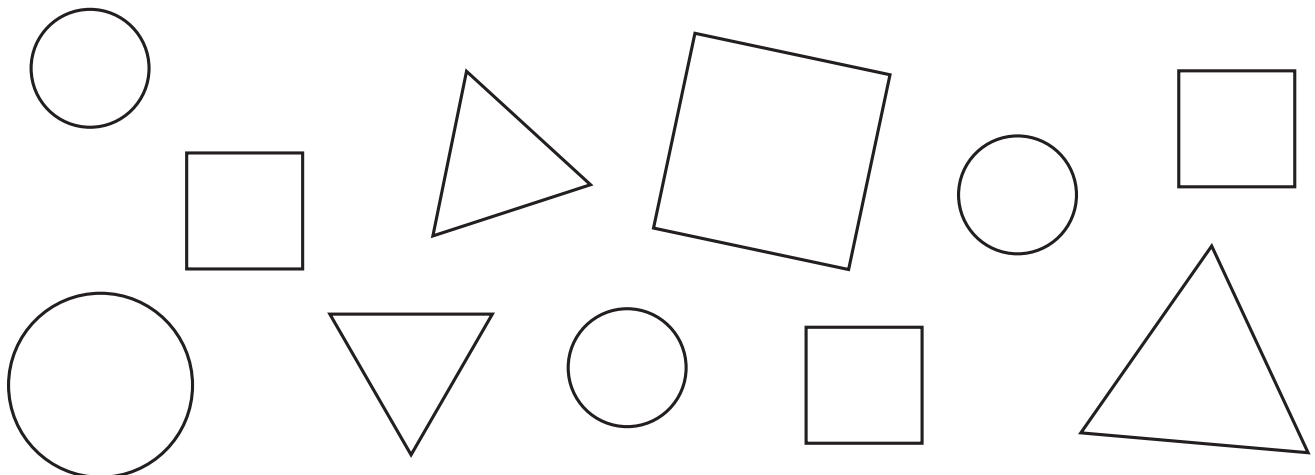

Match each object to its shape.

A large rounded rectangle contains several objects and their corresponding geometric shapes for a matching exercise. The objects include an orange, a pyramid, a cube, a framed picture of a dinosaur, a cone, and a balloon. The shapes include a circle, a square, and a triangle.

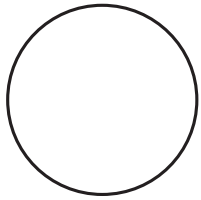

Use the code to color the shapes.

○ = red    □ = blue    △ = yellow

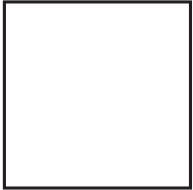

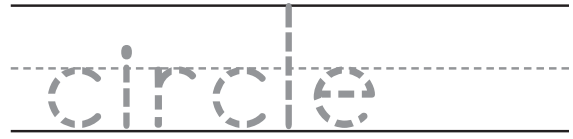

Name: \_\_\_\_\_

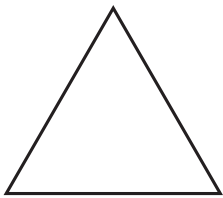

Trace each shape word.

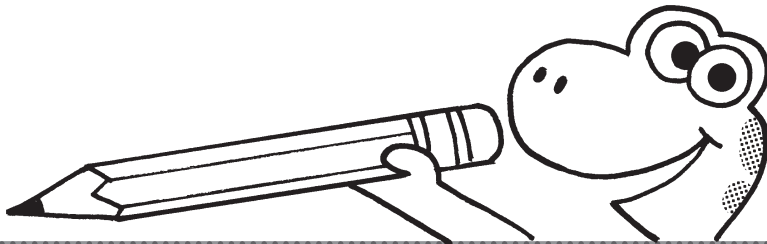

circle

square

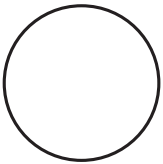

triangle

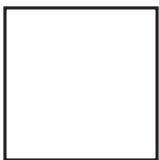

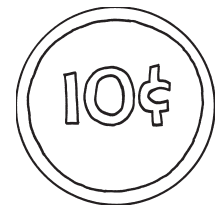

Draw lines!

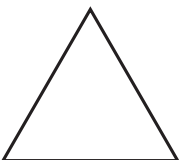

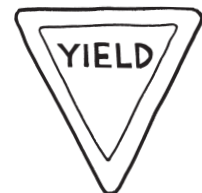

Match each shape to its name.

• triangle •

• square •

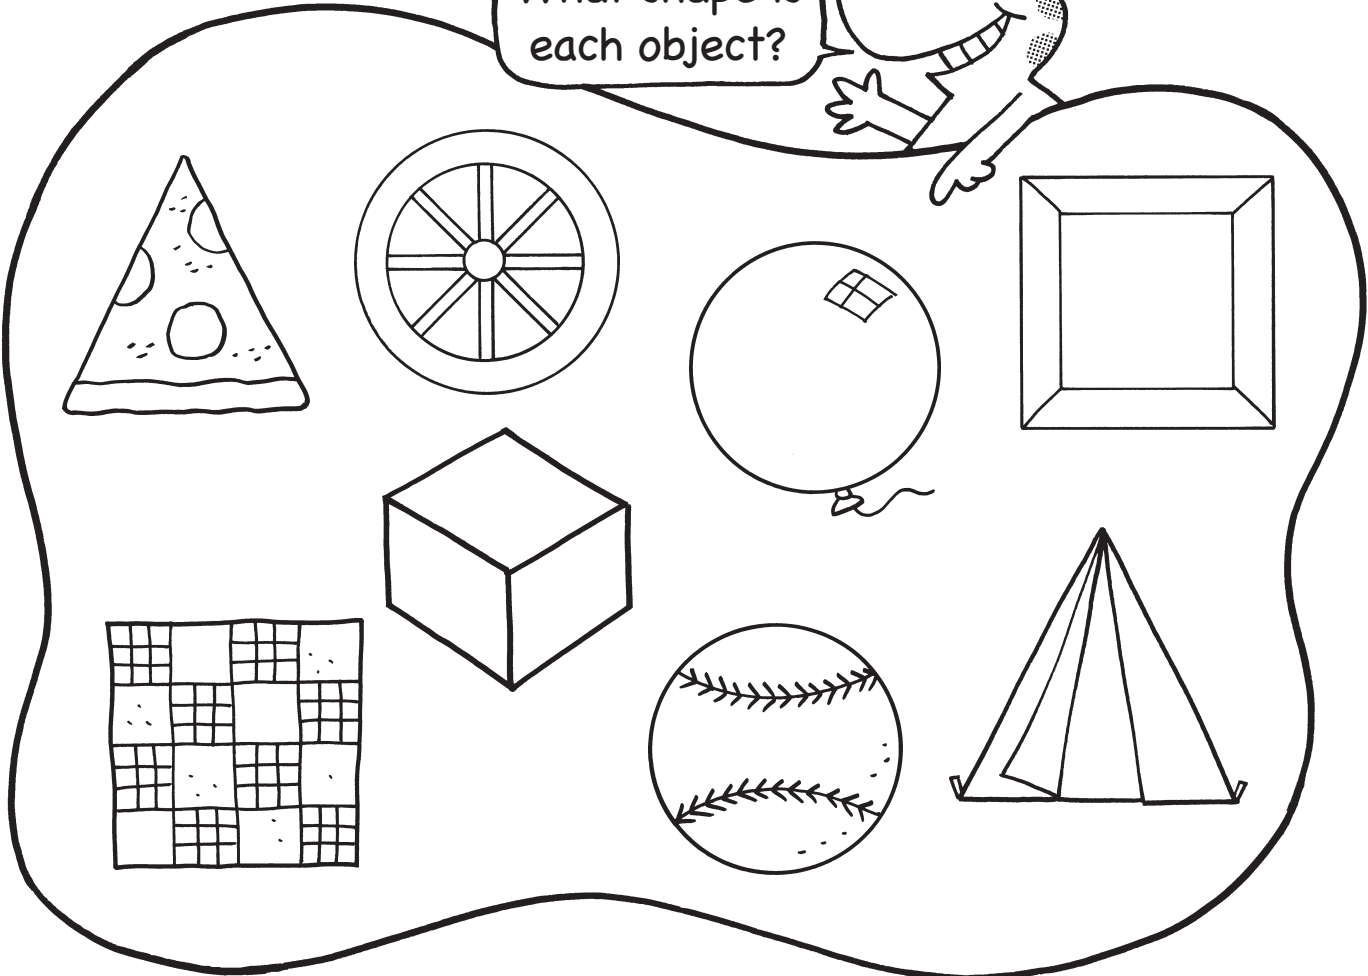

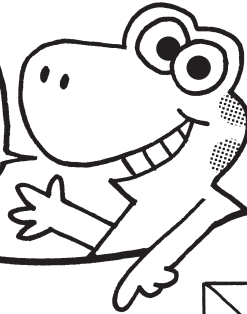

• circle •

Name: \_\_\_\_\_

Count and graph the objects by shape.

What shape is each object?

	circle	square	triangle
4			
3			
2			
1			

Name: \_\_\_\_\_

Trace and match.

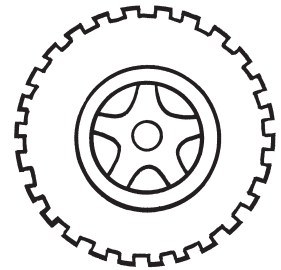

circle ●

square ●

triangle ●

Draw each shape.

circle	square	triangle

Great work!  
Bye!
