Dear Families,

As you may be aware, there was a lesson that caused great concern during your child's Social Studies class this past Tuesday. I want to assure you that we take these allegations very seriously. The teacher was immediately placed on leave, and an investigation is underway.

A substitute teacher has been assigned to this class to ensure that learning is not interrupted. As we investigate this situation thoroughly, your child may be interviewed. If this occurs, you will be notified.

Please know that the social emotional well-being of our students is incredibly important to us. School counselors are available for students who may need to discuss this situation. In addition, if you have any information to share related to this, please email us at SOTAinfo@rcsdk12.org.

Thank you for your continued support as we work to resolve this situation.

Sincerely,

A handwritten signature in black ink that reads "Kelly Nicastro".
