## Ujamaa

To build and maintain our own stores, shops and other businesses and to profit from them together.

Hello Dr. Charles T. Lunsford Families,

'Tis the season! December has ushered in quickly with little snow so far!

We are also entering our second marking period! Thank you so much for your support and commitment to our scholars. It is truly a partnership that is valued and I look forward to your continued input.

I am so proud of the effort our students are putting forth during this challenging time. Attendance remains an important part of student success. Please be sure to contact school staff if you have concerns with any of the following that may affect attendance:

Winter gear

Illness

Scheduled appointments

Etc.

This continues to be the season of giving, and we want you to know that we are here to support our school community. Please reach out to our wonderful Parent Liaison, Alicia Bell, to request needed items to ensure your family's needs are met.

Lastly, we have many exciting events this month. Hope to see you there!

Thanks for all you do to support our school!

Best,

Mrs. Sílas-Lee

#### ATTENDANCE MATTERS

**Average Daily Attendance: 87%** 

School 19's Goal: 92%

Attendance Fact of the Month

Help your child become an "Attendance Champion!"

by sending them to school every day.

#### **18 OR MORE DAYS**

Excused and unexcused absences represent lost time in the classroom and lost opportunities to learn.

 Missing just one day every two weeks can add up to 18 days in a year. Absences add up before you even know it.

#### 10 TO 17 DAYS

Students who are absent an average of 15 days a year miss a year's worth of school before their senior year.

 When students miss a day of school it actually puts them two days behind their classmates.

#### **9 OR FEWER ABSENCES**

Students with good attendance generally achieve higher grades and enjoy school more.

 Children benefit and make the most of their educational opportunities if they attend school regularly and on time.
