What Kwanzaa principles will you focus on this summer?

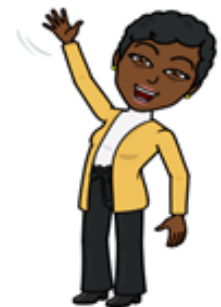

Hello Dr. Charles T. Lunsford Families,

It has been a challenging yet wonderful school year with lots to celebrate! Virtual concerts, family Zumba, JUST LAW essay winners, and our academic growth despite COVID-19 to name a few! I am truly a PROUD principal and contribute this success to the focused work of our school community (parents, staff, community partners, and students) striving for nothing but excellence while persevering through a pandemic! Like anything else, it must end if only for the summer.

Please take advantage of the summer vacation to read and engage your child(ren) in learning experiences. Consider walks to the neighborhood library, utilizing our R centers, and enrolling your child in a summer learning programs. All these activities will positively affect your child academically and socially while reducing summer learning loss.

Thank you for all you do to support our school!

Best,
Mrs. Lee
Proud Principal
