Staff Updates *

Vacancy in music.

Filled parent liaison position- Nefer Rivera.

Jahaira Nguyen started as principal!

Brother Wilson is no longer 1:1 for Jahdiel. For now, he is supporting in the building but may be called elsewhere. Has been helping with a K student.

Looking for additional para and additional building sub.

After school program- minimal funding is starting this week! Ten clubs that can meet 2 days a week. More funding likely/hopeful in the spring.

ILT Updates *

Met morning of 11/03: There are many concerns:

1. Testing- We need clarity on all district mandated testing. For Spanish speaking students 1/4 of their time is spent testing! This takes away from instructional time. Asking the district for further clarity. Lots of concerns about the viability/usefulness of these assessments.
 2. School 17 Google account will collect all shared drives across
 3. Learner profiles (year-to-year) record for students, adding info such as attendance.
 4. AIS plans- MTSS aligned with districts new re-vamping.

Parent Engagement

Within the past month, Cronmiller has asked Mr. Johnson to come back in and get us a PTO up and running again. In addition, new parent liaison, who officially starts on 11/19.

Ana is a parent rep on SBPT, having another parent would be good. Need a representative from RAP and BENTE (unless we get another parent). Vaccinated parents can be a part of it and meet with us in the school building.

Limitations still on evening events indoors, but already setting up for thanksgiving- grab and go thanksgiving dinners!

Will continue with Virtual Family Nights.

Community Support/Student Engagement *

10 student clubs are beginning this week.

Saturday 11/06- Lego exhibition at a local church- families will be coming and bringing their students. (2nd and 3rd grade only)

Hot Topics/Current Issues *

Intervention time- Mixed reviews on how helpful AIS time is for students who do not get pulled for small group support.

The younger grades do not have a dedicated WIN/AIS block. They have Encompass, but they do not service every grade equally. We are freeing up Zacherl and Vives to be available to provide pull-out instructional support by having Coddington and Cronmiller will be meeting with K-5 during team meetings.

Follow up Topics for Next Meeting *

Does this time work for everyone, including Mrs. Nguyen?

More info needed on testing and MTSS re. AIS time.
