PD Approvals *

Restorative Justice PD (through RocRestorative). Will most likely be PAID PD, although this is yet to be finalized. There is some confusion on the part of staff on whether or not this is open to ALL grades or just for those with redlining curriculum. It should be open to ALL grades. This needs to be clearly communicated.

Still have budget for other PD's if anyone has interest.
.....

Staff Updates *

Melissa Gonzales and Katie Prest are both out on maternity leave.

Possible sub in the works for Melissa Gonzales and/or building sub and/or ESOL.

K. Prest is being covered by S. Agostanelli who is only doing evaluations and intakes.

We have hired a new Music Teacher (S. Fellenz)- she will be starting January 18th.
.....

ILT Updates *

Between the Language Acquisition Assessment (LASS) and the iReady, teachers are feeling this is exorbitant. Problems that we are noticing:

1. This is taking significant time away from instruction.
2. Having "Never ELLs" take LASS assessment does not seem valid or helpful.
3. Students are losing intervention staff and mandated services because their support is busy giving exams.
4. Timeline means that there are major disruptions in learning through January.
5. There WILL be students who cannot be tested. What are the repercussions?

Walkthroughs are focused on learning environment (through December) - student work, silent teachers, etc. etc.

Vives and Zacherl are now doing intervention instead of team meetings which has increased significantly the time that students get support.

Parent Engagement

Nefer's official start as Parent Liason is in mid-december. We would like Nefer to come to the to the next SBPT meeting to give us an overview of where we are going with parent engagement this year. Hoping to be holding elections for Parent Teacher Organization

Community Support/Student Engagement *

Yajaira met with Meeker from CCSI for Community Engagement Team.

1. Attendance is a big concern. We are planning to increase this through parent engagement.
2. Family events: Planning on connecting with community partners for family nights virtually and in-person (healthy habits night, yoga, etc. etc.)
3. Put the word out! Social media outreach.

Idea going forward- can we get virtual tutors for students? 2 options- either during ELT time (tues/thurs) as a 'club' OR on (Monday/Wednesday/Friday) as a take-home support.
