

# John Williams School #5

## 2024-25 Commitments

**Literacy:** As a school we are committed to providing students with the opportunity to engage with varied grade level texts independently and respond to written text based questions.

**Foundational skills :** As a school, we are committed to providing students with comprehensive phonics instruction in order to ensure our students have the letter-sound correspondence needed to complete grade level tasks.

**Math:** As a school we are committed to providing students with opportunities to demonstrate their thinking by engaging them in mathematical performance tasks that allow them to model and explain their thinking.

**Academic Culture:** As a school we are committed to creating opportunities for students to engage in practices that build community and ensure all students feel seen, affirmed and valued as members of the school community.

**Vision :** All students will become academically prepared and responsible members of the greater community.

**Mission:** Through rigorous personalized instruction, John Williams School No.5 will provide students with the academic knowledge and social skills to become independent, collaborative and reflective learners.
