6th grade visit

In May the 6th graders had a visit from 8 high school students. Mr Sheppard, our ISS teacher assistant, arranged for them to come and speak about what it is like in 7th grade and high school.

Jayla reported that they said "it wasn't going to be easy going up and that you need to go full out". She said they talked to some kids who were straight 100s and she decided that she is going to work hard and "stay out of the drama." Good advice for all students. Thanks Jayla.

Talent Show

The second annual talent show proved once again that School 25 has a lot of talent.

Play

This year School 25 and Durand Eastman school presented the play Peter Pan

Concert

All of the students looked so nice and sounded great!
